coming that started yesterday, and in as much as the Bearcats see before them the best chance in years to down the missionaries, it is expected that fight will run high in today's battle.

One of the most marked features to develop with the week's practice is the fine kicking displayed by the Bearcat squad. Collingsworth is a fast punter, and is able to place them just about where he wants them. In Schweining Willamette has a punter of two year's experience, and one who can get off some long ones. Mumford has also showed some real punting getting up to fifty yards frequently. Stolzheise has been developed all week at place kicking, and Winslow is showing well at drop kicking. Consequently fans who plan to see today's melee may well count on seeing a lot of kicking.

Another improvement during the week has been the work of the ends. Riedel, Mumford and Herriman, out for the extreme berths, are all first year men, but are beginning now to show up well. The rest of the line will be strong, and for the first time in three years there will be a strong sub for about every position on the team.

The backfield is by far the fastest that Willamette has had in years. Collingsworth, Schweining, Zeller, Waddel, Baker, Winslow, are all fast men, and are playing with a sureness that is bound to count for something.

Coach Borleske of Whitman, in commenting on the prospective game, declared that in the Whitman-Willamette game each year there is more fight shown and more plays pulled than in the average coast conference team. He did not appear to be particularly confident concerning the results of today's mix.

IDAHO TRAMPLED ON BY SOUTHERN TEAM

USC Runs Wild and Hands Vandals Worst Defeat in Years; Score 51-7

MOSCOW, Idaho, Oct. 30.—(By Associated Press.)—The University of Southern California football team ran wild today and gave the University of Idaho its worst defeat in years, running up a score of 51 to 7 from a driving attack that completely annihilated the Vandals' defense. The only surcease from the slaughter by the trojans came near the end of the second period, when a passing attack gave Idaho an earned touchdown.

U. S. C. made one touchdown from a recovered fumble and three

from intercepted passes. The Trojans piled up a tremendous yardage total, driving 364 yards from scrimmage play and tallying 77 yards from six completed passes in 16 attempts for a total of 441 yards and 22 first downs.

Idaho resorted to passes almost entirely and most of its nine first downs came from that source. The Vandals completed nine passes in 30 attempts for a total of 118 yards. Seven passes were intercepted by the Trojan backs. Idaho gained only 34 yards from scrimmage.

Drury was the big gun of the Trojan offense, scoring three touchdowns and making three points in tries for goal. Kaer, who played only half a game, made two touchdowns, and Earle, Elliott and Larameth, each carried the ball across the goal line once. Cameron made Idaho's only score from a 30 yard pass. Drury started the Trojan's scoring with a 22 yard run for a touchdown after eight minutes of play in the first period and crossed the goal four minutes later for the second touchdown. The third Trojan score was a gift, Earle recovering the ball on the 18 yard line and racing across for a touchdown, after Reget fumbled. Kaer scored a touchdown for USC in the middle of the second period, and then Idaho showed its first power with four passes that resulted in a touchdown.

In the third period, three intercepted passes enabled Kaer, Drury and Elliott to each score a touchdown.

The last Trojan score came in the fourth period on another intercepted pass, Larameth making a 40 yard run. A crowd of 8,000 witnessed the game.

TEMPLE SAVES DAY FOR SALEM ELEVEN

Drop Kick Brings 3 to 0 Victory Over Albany High School Friday

A beautiful drop kick of 37 yards by Temple, Salem end, gave Salem a 3 to 0 victory over Albany high school Friday on the latter's home field. The game was largely a punting duel, with J. Drager of

Salem getting the best of it. Most of the game was fought in mid-field.

Olinger, who was used at quarter in lieu of B. Drager, out with small pox, was knocked out on the first play. He had received the ball, was tackled and went to fall straight when he was tackled by another man and his head smashed back against the ground. He was rushed from the field to a hospital, where his condition was found bad but not dangerous. A. Lyons called the signals for the rest of the game.

Albany threatened several times getting once as close as Salem's three yard line, but the local boys held and punted out of danger. Temple's kick from the 37 yard

line was as straight as a die, and spelt disaster to the Albany aggregation. The kick came in the final quarter and although they fought hard, Albany could not even get within striking distance for the rest of the game.
