#### INDIANS AGAIN VICTORS

WASHINGTON HIGH DEFEATED BY 18- 0 SCORE

The second string team of the Chemawa Indian school won from the Washington high second team of Portland yesterday by a score of 18 to 0. The game was speedy. The Washington eleven showed wonderful defensive strength but could no nothing with the ball when they got it. They. worked an excellent criss-cross play to ad-vantage, however, making large gains. If they had shown up as good on the offensive as they did on the defensive they would in all probability have taken the game.

Baker and Haldane were the outstanding men on the Chemawa eleven and made the most consistent gains.
