59e

Economy has been practised as a cardinal virtue to every succeeding generation. Back in the Stone Age a hoary ancestor walked miles to a cave dweller who bartered some coveted article for one skin instead of the two demanded by the neighbor tradesman.

Economy is a principle held in common by the people of all nations.

Economy is the paramount principle of our merchandising throughout our chain of 676 Department Stores, and has been during our 23 years of service to the public.

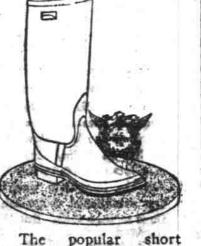

Every purchase in our Stores involves a saving to the purchaser, and these savings, accruing year after year, make for the soundest
