

TRACKLESS TRAIN DRAWS BIG CROWD

Governor Pierce Special Passenger; Local Men Get Ride on "Special"

Hundreds of people crowded around the "trackless train" Saturday during its brief stop in Salem. The train left Portland shortly after 8 o'clock and came to Salem by the west side highway, making several stops en route. It arrived at 12:30 o'clock at the Statesman office, the official union station. Motor power was furnished by two 90-horse power Indiana motors with a 60-horse power motor installed in the observation car.

Fred M. Powell, of the Powell Motor cars, provided transportation for Governor Pierce and newspapermen who met the train at Rickreall. Representatives of the Shell Oil company, which furnished the gasoline for the transcontinental tour, and the United States Rubber company, were on hand. Special passengers, in addition to newspapermen, were T. J. O'Keefe, local representative of the rubber company; Archie Holt, manager of the Hellig theater; S. H. Starr, of the Shell company, and Jim Smith, of Smith & Watkins, where the vehicles refueled.

The "trackless train" is advertising the Metro-Goldwyn-Mayer moving picture corporation and tied up at the Hellig theater for lunch. The train carries a full crew and is in charge of Eddie Carrier. Bill Parson is the engineer and Jack Rush the fireman. Merton Holmes is the porter and makes up the fourth member of the party. H. H. Samuelson, president of the Chamber of Commerce at McMinnville, accompanied the party to Salem. Stops were made at Albany and Corvallis before tying up for the night at Eugene. "Good roads and moving pictures" is the slogan of the party. With the exception of roads in Alabama and Kansas, which were particularly muddy, the highways throughout the country were found in good condition.

WASHINGTON ELEVEN IS VICTOR OVER STANFORD

(Continued from page 1)

fleet and skillful quarterback of the University of Montana eleven, almost single handedly defeated the Idaho Vandals on MacLean field here this afternoon. His fleet feet carried him down the field for 70 yards in the last quarter with the score tied to give Montana a 20 to 14 victory.

Kelly made two touchdowns himself and was on the passing end of the ball when Shugrass went over for the other touchdowns. Montana came from behind and overcame a 14 to 0 lead in the final half to capture the game. Their first Pacific coast conference victory of the season. Kelly's great run was the feature of the contest.

PORTLAND, Or., Nov. 7.—(By Associated Press.)—St. Mary's college eleven defeated Multnomah Amateur Athletic club here today, 11 to 7.

Red Strader and Jack O'Rourke, St. Mary's fullback and end, respectively, were black magic to the baffled and bewildered clubmen. One of the Saints' substitutes, who was thrown into the fray for two brief intervals at the end of each half, proved to be the flashing meteor of the entire struggle. He was "Cowboy" Smith, a midget half, whose remarkable dashes around ends and off tackle were one continuous succession of breath-taking thrills. Smith's 66-yard run for a touchdown in the last few minutes of the game was the brightest individual performance.

CHAIN STORE MAY COME R. A. PILCHER CONCERN ARE LOOKING FOR CITY SITE

The R. A. Pilcher chain of department stores is contemplating establishing one of its stores in Salem, and is seeking a site here, according to word received Saturday. Representatives of the company, it has been learned, have been negotiating with Frank D. Bligh for the site on High and State streets, where the Union Oil station now stands. The chain proposes to have 23 stores established on the Pacific coast in as many different cities.

The company has already opened up six stores, one each at Klamath Falls and Eugene, in Oregon, at Tacoma, Bremerton and Yakima in Washington, and at Stockton, California. A site has been purchased by them at Aberdeen, and negotiations are on foot to obtain sites in Seattle and Everett in Washington.

R. A. Pilcher, the head of the stores, is expected to pay a visit to Salem in the near future to look further into the matter of obtaining a site in Salem. Mr. Pilcher, according to the report, served for several years with the J. C. Penney company, who also operate a chain of stores throughout the United States, being one of the executive heads of that company. Consequently, Mr. Pilcher is credited with being well adapted to the task of operating a chain of stores.

YESTERDAY'S RESULTS

California 35; WSC 0.
Washington 13; Stanford 0.
Oregon Aggies 56; Pacific 0.
Gonzaga 13; Whitman 0.

BAYES WINS HIS FIGHT

NEGRO BOXER IS OUTPOINTED
AT BANDON FRIDAY

Phil Bayes, Salem fighter and boxing instructor, won an easy decision over "Ace" Boles, negro fighter, at Bandon Friday night. The two met in a 10-round main event, Bayes taking every round on points.

Bandon fans were very much pleased with the style of fighting put up by Bayes and declared at the close of the card that "it was the best fight seen at Bandon."

STORES TO CLOSE ON ARMISTICE DAY

(Continued from page 4)

War Mothers will drive on the courthouse grounds at the north and halt at State, unload and remain in position to receive their passengers and return them to their homes after the ceremonies. Capt. Paul B. Hendricks, Co. F, will detail color bearers and escort, firing squad, one aide to grand marshal.

Parade will open as follows:

First section—Captain Diaz commanding—grand marshal and staff, colors, drum corps, Capitol Post No. 9 American Legion.

INGROWN NAIL Turns Right Out Itself

A few drops of "Outgro" in the crevice of the ingrowing nail reduces inflammation and pain and so softens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgro" is a harmless antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.—Adv.

Staples Optical Company

PORTLAND — SALEM

Masonic Temple Building,
Salem, Oregon

Company F, detachment coast artillery, medical detachment, ONG, Second section:

Capt. B. F. Pound, commanding—Form on Commercial north of Center—Salem Military ABand, Capitol Post No. 9 American Legion, American Legion Auxiliary, Spanish War Veterans, Spanish War Veterans Auxiliary, Sons of Veterans, Auxiliary Sons of Veterans, American War Mothers (in automobiles), Sedgwick Post GAR (in automobiles), Ladies of the GAR (in automobiles), Women's Relief Corps (in automobiles).

Third section: H. R. White, commanding—Form on Marion west of Commercial—Boys' Training School Band, Boys Training School Cadet Battalion, Hubbs Cherry Band, Salvation Army Boy Scouts of America, YMCA, schools and colleges.

Fourth section: L. B. Dunsmoor, commanding—Form at Marion east of Commercial, Salem Indian School Band, Salem Cherriana, Elks, Modern Woodmen of America, other fraternal organizations, industrial floats.

Bits For Breakfast

Did you see the crowds?

It was a busy Saturday in Salem.

Salem is keeping up her record of building a new dwelling a day. Including Sundays, up to Nov. 1, there were 304 days and 304 new dwellings in Salem. Permits called for \$906,100. Probably cost over \$1,000,000.

Salem's four banks cleared checks of their own depositors for \$9,861,265 in October, 1924, and for \$14,632,094 in October of 1925. Some growth of business.

There are 26 Salems in the United States. The largest is Salem, Mass., with 43,000; but Salem, Oregon, will overtake her before long, and leave her far in the rear in time.

Secretary Wilson of the Salem Commercial club tells in his current weekly bulletin of the Lambert cherry orchard of O. E. Brooks about a mile west of Liberty. The orchard has 300 bearing trees and 300 seedlings for pollinating. The crop in the past eight years has been as follows, beginning with 1918: 52,000 pounds, 60,000, 72,000, 100,000, 40,000, 84,000, 84,000 and 16,000. As every one knows, the 1925 cherry crop in the Salem district was the smallest in the history of the industry, for the acreage in bearing.

The average weekly salary of the teachers in whose classes President Coolidge sat, up to the time he entered high school, was \$3.85.

Eight hundred tons of one dollar bills will be put into circulation this year by the government.

JURY WEEPS DURING TRIAL OF PHYSICIAN

(Continued from page 1)

for a direct verdict acquitting Blazer. In his opening statement to the jury, H. W. Spangler of defense counsel, depicted the slain girl as a "child woman" whose body was "distorted and ravaged by disease. Her bones protruded

through her skin and her body was bent and twisted until the spinal column resembled the letter 'S.'" Spangler continued.

"Blazer became morose and despondent after his wife died. He became a subject of mild epileptic fits. He did many queer things. Once, while riding in an open automobile, on a bitterly cold day, he asked to be let out so he could walk and 'get some fresh air.'"

"He was a Christian and God-fearing man and believed in the immortality of the soul. These things and many others we will show in our testimony," Spangler continued.

Dr. George A. Moleen, Denver alienist and physician, was the only expert witness summoned by the state in their effort to prove Blazer sane. He declared Blazer's apparent stupor when he was found with the body of the girl probably was caused either by an opiate or chloroform. "Such stupor as he exhibited could come from insanity only in the most advanced stage," he declared.

Previous to the appearance of Mrs. Bishop, the defense placed three character witnesses on the stand. All were former acquaintances of the accused doctor and testified as to acts they believed would show that Dr. Blazer was suffering from a mild form of insanity.

RUDOLPH REMAINS FIRM

NEW YORK, Nov. 7.—(By Associated Press.)—Rudolph Valentino, arriving today in New York to remain until next Saturday when he sails for a vacation in Europe, said that he will not meet Mrs. Valentino when he boat docks Monday. Valentino said that the "test separation" with his wife will continue.

DR. W. B. CALDWELL
AT THE AGE OF 83

Million Girls and Women Have Changed Laxatives

Countless girls and women now know how foolish and needless it is to "purge" and "physic" themselves every few days to avoid sick headache, dizziness, biliousness, sallow skin, colds, or sour, gassy stomach.

They now take a laxative only occasionally. They have found that one dose of Dr. Caldwell's Syrup Pepsin will establish natural, healthy bowel movement for weeks at a time, even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose is necessary. Besides, it is absolutely harmless and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine and just see for yourself.

They now take a laxative only occasionally. They have found that one dose of Dr. Caldwell's Syrup Pepsin will establish natural, healthy bowel movement for weeks at a time, even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose is necessary. Besides, it is absolutely harmless and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.
