**HOPE SEES A STAR**  
Life is a narrow vale between the cold and barren peaks of two eternities. We strive in vain to look beyond the heights. We cry aloud and the only answer is the echo of our wailing cry. From the voiceless lips of the unrepenting dead there comes no word; but in the night of death hope sees a star and listening love can hear the rustle of a wing.—R. G. I.

### School Days and Your Child

Your child may be having difficulties in school or may be backward in studies, just because of some slight defect of vision which may be overcome by proper glasses. For defective vision is always a tremendous handicap to learning.

If your boy or girl has trouble with school work, if they have any symptoms whatever of defective vision, have their eyes examined at once.

If glasses are wanted we will prescribe them with Bausch & Lomb Lenses, the finest known to optical science.
