

BEARCAT ELEVEN DEFEATS ALBANY

Game Played in Sea of Mud Wednesday Ends With 26 to 0 Score

The Willamette football team, playing percentage football, and ever on the alert to take advantage of the breaks bound to occur on a field so soggy from the rain that it was as greasy as vaseline, took the men from Albany college into camp Wednesday morning on Sweetland field with a score of 26-0.

The Bearcats did not show much fight at the opening of the contest and Snyder, the brainy Albany quarter, called some trick plays such as Willamette has not seen this season that so baffled the Bearcat line that for three or four times Albany was able to rip through the lines for large gains. But the Bearcats, showing better alertness than they have this season before, were not long in solving the Albany offense, and from then on Albany did not so much as threaten.

In spite of the muddy field and the slippery ball, Willamette made but one fumble, although Albany made several, which were instrumental in winning Willamette the touchdowns.

Willamette's first touchdown came in the first quarter, when Willamette punted to the Albany 40-yard line; Albany fumbled, and Mumford gathered up the ball racing the 40 yards across the line. Riedell converted the kick. But although the Bearcats started on several marches into Albany territory, there was not enough punch to get across, and the half ended 7-0 for Willamette.

Evidently the Bearcats were reminded of the results of over-confidence between halves, for when they ached onto the field for the second half they were an entirely different team. After the kickoff, the ball was Willamette's;

FOOTBALL WHO'S WHO

Introducing CLARK JACKSON Guard

Elected captain of this year's squad, Jackson resigned, feeling that he would not return to school this fall. He was in the lineup when candidates reported, and has played good, consistent ball as guard or tackle.

A big boy and a thorough student of the game, he knows what to do under all circumstances. He stands 5 feet, 11 inches, weighs 180 pounds, and makes every ounce count.

In midfield. Here a fumble, which Albany recovered, looked like a break for the visitors, but on the next play they fumbled and Willamette recovered. Willamette made two successive first downs, but Albany held for downs on the five-yard line. Albany called for a punt, but fumbled, and Rhodes recovered behind the line for Willamette's second touchdown. The kick failed, and the third quarter ended 13-0.

The third score came when Willamette blocked Albany's punt and recovered the ball on Albany's 20-yard line. First down gave the Bearcats the ball on the nine-yard line. A buck through center for five yards, two center smashes that netted but a yard, and then Zeller sprang terrifically through a hole off tackle, and well over the goal line. The kick failed.

The final score was won by an intercepted pass. On their own 20-yard line Albany attempted a pass, which McMullen intercepted and carried to the five-yard line. Zeller smashed over, and Winslow drop kicked for the extra point.

For Willamette the outstanding players were Zeller at line punting, and Herrman at punting.

Herrman, in spite of the wet field, averaged better than 40 yards, and got off two or three punts for better than 50 yards. Snyder, flashy quarter, and Adams, the fast, heavy and hard hitting full, starred for Albany.

The lineup follows:
Willamette: Campbell, L. E. Rhoads, L. T. Ehrhammer (Capt), Evans, L. G. Longman, Scott, P. W. West, Woodworth, R. C. Patterson, Houston, R. M. Cox, Herrman, O. C. Christy, Riedell, O. J. Snyder, Winslow, O. H. Johnson, Zeller, P. H. Johnson, Stelbaise, P. H. Adams

Officials: Referee, Fitzgerald; of Corvallis; umpire, Ratcliffe of Salem; head linesman, Nakano. Substitutions: Albany, Rich; Willamette, S. Zeller, Bateson, McMullen, Ferguson and Douglas.

BOYS' BASKETBALL LEAGUE IS PLANNED

Eight Teams of Lads 15 Years Old and Under Are Being Organized

Instead of promoting a Commercial basketball league as in the past, George Cadwell, of Anderson's Sporting Goods store is lining up players for a junior basketball league of eight teams to be known as the Anderson Junior Basketball league. The age limit is 15 years and under. Playing is expected to get under way immediately after Thanksgiving and all games will be staged on the YMCA gymnasium floor under the direction of R. R. Boardman physical director.

Inability to obtain the necessary floor space for practice this year led to the organization of the junior league. The eight teams will be selected as to age and weight in order to have them as evenly matched as possible. Boys playing on high school or other school teams will not be eligible to play in the league as one of the objects is to interest as many different boys in basketball as possible.

Registering for the league is now under way at Anderson's store and boys wishing to participate are requested to come in and leave their names with Mr. Cadwell.

While the Commercial league seems to be a dead issue this season, a call for players has been issued by the American Legion and the National Guardsmen are placing a team in the field. Games with outside organizations will be arranged during the playing season.

DAM CONTRACT LET
SPOKANE, Nov. 1.—(By Associated Press).—Contract for the construction of the proposed power plant and dam near Chelan, Wash., to be built in connection with the electrification of the Great Northern railway through the Cascade mountains, was awarded to the Grant Smith company today by Washington Water Power company. It will represent an outlay of about \$10,000,000.

SALEM TRIUMPHS OVER OLD RIVAL
(Continued from page 1)

the ball to the five-yard line, but Salem was held for downs, Eugene getting off a poor punt, advancing the oval only to its own 15-yard line. The ball was advanced to the three-yard line and lost on

downs. Eugene's attempt to punt out from behind the goal line was blocked and the ball recovered by Salem over the line, adding six more points to the score. Again the attempt at goal failed and the score stood 12 to 6 for Salem. Eugene kicked off and the half ended after one or two plays.

Neither team registered during the third quarter and was devoid of features, the two teams surging back and forth in the sea of mud. Noeske hit the line for a long gain and downs. Eugene's right half was carried from the field after his tackle. Eugene recovered a Salem fumble but the red and black held, getting the ball on its own 20-yard line as the quarter closed.

Coming back with the same variety of ball as was offered during the first period and reinforced by the substitution of nearly half a team, Eugene duplicated its steady pounding of the Salem line for good results. Taking a chance after Salem had gained possession of the ball on Eugene's 20-yard line, Noeske hit the line for the final touchdown of the game. A pass failed, and the score stood 18 to 6. Salem kicked off, and after a few plays got away for a pretty 40-yard line before being stopped well within the danger zone and again made first down. Salem held and punted to the center of the field, with no return by Eugene. Adams, Salem right end, received an injury to his head in the last two minutes of the game and was carried from the field. His place was taken by Querrv, the only substitution made by Coach Huntington during the entire game. Eugene threatened once more but lost the ball on a fumble. Salem punted out of danger and the game ended with the ball in Eugene's possession in Salem territory.

Lineup of the teams:
Salem: Temple, LER; Gilbert; I. Drager, LTR; Barres; Davis, LGR; Gaska; H. Lyons, C; Bassonette; Jackson, HGL; Kerns; Plak, RTL; Shwida; Adams, REL; Wells; R. Drager, Q; Mowrad; Kelly (Capt.), RT; Coleman (Capt.); Novek, LBR; Towne; A. Lyons, F; Referee, Fitzgerald, OAC; umpire, Hauser, Chemawa; head linesman, Carson, Salem. Four 12-minute quarters.

Spectators at Football Game Given "Kick" Watching Antics on Gridiron

Players Resemble Tarbabies as They Plunge Through Riffs of Mud and Puddles of Water; Field Is Slippery

Slide, footballman, slide, was the official joke of dripping spectators, huddling under yellow, green, red and black slickers, who yesterday afternoon watched runners' feet grind in the goo like the wheels of an auto in gumbo.

But the ball moved! Looking like tarbabies on a field scarcely grimmer than themselves, men bucked, tackled and plunged, presenting a perfect dramatization of that good old slogan: "Roll your own."

Each Salem high school player picked him a man and usually rolled

him. Rolled himself too. A clean uniform was good for two plays at the utmost and the ball needed a frequent "sweatshirt massage" to clean off the mud that made it slippery as the proverbial pig.

If the saying "save the surface and you save all" is true, both teams ruined themselves in pools of water so deep and so expansive that yellmasters celebrated each Salem score with executing high dives and fancy swimming strokes in the miniature lakes.

When the second act has come to an end—and the curtain is rung down amidst whirling applause—when you mingle outside with the excited throngs in the lobby—have a Camel!

WHEN the thrilling second act of the best show of the year has just come to an end. And the stars have taken their curtain calls in answer to round after round of applause. When you join the crowds outside just as pleased and thrilled as yourself—have a Camel!

For no other friend is so cheerful, so resting between acts as Camel. Camel adds its own romantic glamour to the brightness of memorable occasions. No other cigarette ever made—and kept—so many friends. Camels never tire your taste no matter how liberally or zestfully you smoke them. Camels never leave a cigarette after-taste. All the desire to please, all the skill to serve of the largest tobacco organization in the world, goes into this one cigarette.

So when you leave the theatre pleased and inspired for greater things, when you see life's problems and their solutions clearer—lift the flame and taste the mellowest smoke that ever came from a cigarette.

Have a Camel!

Into the making of this one cigarette goes all of the ability of the world's largest organization of expert tobacco men. Nothing is too good for Camels. The choicest Turkish and domestic tobaccos. The most skillful blenders. The most scientific package. No other cigarette made is like Camels. No finer cigarette can be made. Camels are the overwhelming choice of experienced smokers.

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price. R. J. Reynolds Tobacco Co.
