

# 40 FIGHTING BEAVERS TO LEAVE FOR ANNUAL CLASSIC STRUGGLE AT EUGENE

## BATTLE CRY CALLS TO SALEM PEOPLE

### General Exodus for Eugene Expected Saturday Morning; OAC Has Edge

"Fight 'em, Oregon." "Smear 'em, Aggies." Recollections of these and other of the famous battle cries of years gone by, are causing former students, alumni and friends of the University of Oregon and the Oregon Agricultural college to think about the coming clash between the two state educational institutions as represented by two powerful football machines, which will be pitted against each other as the main attraction of the annual homecoming program at Eugene Saturday afternoon.

Salem will be well represented at the game and early Saturday morning will see local cars wedging their way into the traffic formed by the caravan on its way to the greatest, from point of interest, of the coast football games this year. Supporters of the orange and black and the lemon-yellow and the green are nearly equally divided but all will be on hand to root for their favorite.

Going back into history Oregon has the edge over OAC by a wide margin in the percentage of victories. Two years ago the Aggies slaughtered the jinx that permitted them to win but one game every tenth year and defeated Oregon on its home field at the annual homecoming game.

This year with five victories and no defeats in the northwest conference race and but one defeat in the coast conference, the Oregon Aggies are at the top of the pile in the former grouping and stand an excellent chance of finishing well up in the coast race, according to O. A. C. sport dispatches.

Sport critics even before the 56-0 victory over Pacific last Saturday, reported the Aggies 14 point favorites over their ancient rivals at Eugene for the approaching big game, it is stated. Pacific held Oregon to 13-0 early in the season, while Montana after a 27-7 defeat at Corvallis turned on Idaho and won 20-14 notwithstanding the latter took Oregon's measure 6-0 a few weeks before.

## PARRISH FOOTBALL TEAM HAS CONTESTS

### No Touchdowns Are Made Against Eleven Through Scrimmage This Year

Football material of high school calibre is being developed at the J. L. Parrish Junior high school by Coach Frank Brown, who is devoting much time to fundamentals rather than contests with other schools. Because of a lack of finances, attention to sports is being directed toward basketball and at least 20 games will be played this season.

Three men on the Parrish team possess outstanding characteristics. Robert Kelly is captain and a brother of Don Kelly, captain of the high school team. The younger brother is placing his feet in the foot prints made by the elder and will be heard from in a few more years. Andersen and Joe Barger are also consistent players for the Parrish team.

The Parrish team has played two games this season, losing both. Scores were not made from scrimmage however, but by the use of forward passes or intercepted passes.

Saturday the Parrish players will meet the Albany high second team at Albany and play Dallas at Dallas November 20. The Mt. Angel college second team will be played November 28 and the closing game will probably be played here with the Washington High school, of Portland, second team.

This year there are six graduates of the Parrish team wearing the red and black sweaters of the Salem high school team, three playing in regular positions and three substitutes.

## PLAYGROUND FUND CUT FROM BUDGET

(Continued from page 1) from 15 men to 14. To this Charles Knowland replied: "If we lived under the light of the statehouse, we would stand for police, but for us who live farther out the police are essential." He also suggested that a policeman be added to handle the traffic at Commercial and State. Nothing was done concerning the matter. The amounts allotted to each of the departments follow:

Salary of the recorder and purchasing agent, \$1800; salary for clerical hire, \$2820; the treasurer received a raise in salary to \$1800; salary for the city attorney,

## WAITING FOR THE WHISTLE!

The weights of the two teams gives O. A. C. a slight advantage, Oregon's heavy backfield, in all probability composed of Jones, Wetzel, Vitus, and Anderson, will outweigh the Aggies by only two or three pounds; Schulmerich, the 199-pound giant, boasts the team's weight. Paul Snider, 185-pound fullback holds it up for Web Edwards and Red Denman, 150 and 165 pounds, respectively.

The beef on the Aggie line lies in big Jim Dixon and Lewis Dickerson, who weigh a total of 417 pounds; 210 for one and 207 for the other. Both are tackles. Dixon is over six feet three inches in height; and Dickerson is six feet, six inches. Dixon is the fastest man on the team and can outstrip the fast backfield men or ends. Both men outweigh Al Sinclair and Homer Dixon by 15 pounds to the man.

Guards find the Oregon players just about on an even basis with Roy Hickert, 160, and Glen Almssted, 185. Bailey Shields, Sociot-sky, Bliss, Leavitt or Kerns will enter for Oregon.

Ends for Oregon, Mautz and Smith outweigh Dallas Ward and John Logan by 15 pounds each. Ward, 170, will probably play against Mautz and Logan, 150-pounder, against Smith.

Center is a stand-off. Lloyd Balcom, 175, outweighs Carl Johnson, but weighs less than Nick Carter.

## FOOTBALL WHO'S WHO

Introducing Robert Drager Quarter  
This field general isn't flashy but he runs the team with true headwork. He thinks straight and quick, knows the game and uses his knowledge effectively.  
His weight is set-at 170 pounds, his height 5 feet 11 inches and he makes both count. He will be back in the game next year.

Orris Fry, L. C. Farmer, A. G. Bates, Tom Wood, Don Young, Gus Hixon, Fred Mangus, Claude Steusloff, Russell Bonesteele, R. McLaughlin, Chester Cox, Kenneth Webb, Frank Shafer, F. A. Elliot and Fred A. Williams.

## DANNY GARTH WINS BY KO OVER HAYES

### Sleep-Producer Handed Out in Fourth Round of Main Silvertown Event

SILVERTON, Ore., Nov. 12.—(Special.)—In a boxing match here Tuesday evening Danny Garth of Silvertown, weight 168 pounds and Tiney Hayes, weight 172 pounds, of Independence fought the main event. Garth knocked out Hayes in the fourth round.

In a second event between Shadow Griz, weight 145 pounds, of Salem, and George Johnson, weight 151 pounds, of Silvertown Griz was disqualified in the third round because of a foul. The bout was given to Johnson.

A particularly good four round special was fought to a draw between Kenneth Benton, weight 155, of Silvertown and Sailor Manning, weight 148, of Salem. Both of the boxers showed fast work and good sportsmanship.

## WILL IT HOLD?

## NEW INVENTION SAVES MILLIONS

A Lamp that Burns 94% Air  
A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, V. M. Johnson, 161 North Union Ave., Portland, Ore., is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.—Adv.

## BEARS AND HUSKIES IN TWELFTH BATTLE

### Washington Wins 6, California 4 Games; Last Meeting Ended in Tie

SEATTLE, Nov. 12.—(By the Associated Press.)—When the University of Washington football team meets the University of California Saturday at Berkeley it will be their 12th gridiron battle.

Six of the 11 games resulted in victories for the Huskies, four were won by California, and one was a tie.

California has an edge in scoring with 177 points to 142 for Washington. The highest score won by Washington was in 1915 when a Husky team coached by Gill Doble won from a California squad coached by Jimmy Shafer, 72 to 0. The Bears piled up 72 points against Washington in 1921 who was saved from a shutout when Johnny Wilson kicked a field goal.

The low score game was played in 1904 in Seattle, resulting in a 6 to 0 victory for Washington. The only tie game was played last season ending 7 to 7.

## PACIFIC GAME IS DEMANDING ACTION

### Bearcats Begin Hard Training Period for Contest With Ancient Rival

Willamette is training ardently for the game against Pacific university to be played a week from Saturday on Sweetland field.

Pacific and Willamette are the oldest rivals among the smaller colleges in the state, and the game is to the two schools what the OAC-Oregon game is to those schools.

Here dope never counts. Sometimes one school will be stated stronger than the other, but the apparent weakling often wins.

The dope favors Pacific slightly. Willamette has lost to CPS by two points and to Linfield by three points. Pacific beat CPS by 12 points and Linfield by six points. Moreover, Pacific has several veterans in the lineup. The most valuable is Emerson, star quarter.

But one thing decidedly favors the Bearcats and that is Willamette's fighting spirit. They are vexed by defeat at the hands of CPS and Whitman—both of which the local boys easily outplayed but lost on the breaks.

Riedell is one of the best passers that has ever played on Sweetland field. Fasnacht's reappearance into the Bearcat lineup means a distinct improvement in the team. He has been out all season because of a bad shoulder. Coach Rathbun has switched him from end to half. Schweining reported Thursday for practice.

Thanksgiving day the Bearcats will journey to Caldwell, Idaho, where they will meet Anson Cornell's College of Idaho team. According to the dope, Willamette's chances there are slim. College of Idaho held University of Idaho to a two point victory, and defeated Linfield 75-0.

## PORTLAND GOLFERS WILL PLAY SUNDAY

### Return Match With Multnomah Club Arranged by Illihee Country Club

The Multnomah Golf club of Portland is sending a 20-man team to Salem Sunday for a return match with the Illihee Country club team. Playing will begin at 10 o'clock rain or shine according to Don Young, chairman of the tournament committee. The visiting club is bringing Rudie Wilhelm and Russell Smith.

The Illihee golfers have dropped only two of the nine matches played so far this season and have a record of having won all matches played on the home course, which is in excellent condition at present. Some real golf playing will be offered spectators and players at the Sunday match.

Line-up of players in order of the tee-off, as announced Thursday by Mr. Young will be Errel Kay, John Farrar, Rex Sanford, Dr. H. H. Olinger, A. C. Bailey.
