How She Gained 10 Pounds in 22 Days

That's going some—but skinny men, women and children just can't help putting on good, healthy flesh when they take McCoy's Cod Liver Oil Compound Tablets.

As chock full of vitamins as the nasty, fishy-tasting cod liver oil itself, but these sugar-coated, tasteless tablets are as easy to take as candy, and won't upset the stomach.

One woman gained ten pounds in twenty-two days. 60 tablets, 60 cents. Ask J. C. Perry, Central Pharmacy, D. J. Fry, or any druggist for McCoy's Cod Liver Oil Compound Tablets and if you don't gain at least 5 pounds in 30 days your druggist is authorized to hand you back the money you paid for them.

pollination of the fruit crops.

Mr. Kendall, president of the Western Colorado Beekeepers' association, having jurisdiction over eleven counties, happened into Salem, on a trip by motor to California, and he will be present at the bee meeting this afternoon. Mr. Kendall has been at the head of that association for 15 years, ever since it was organized, and he is also a county bee inspector. That is an important bee district.

There is a question as to what will be done with the employment bureau when the Salem YMCA moves to its new building. It seems that there is to be no place provided for it in the new quarters, and it must not be abandoned. It found jobs for 6498 people last year. One day last week it found one man a \$125 a month job, and another man a \$100 job, besides employment for about 15 other people. If any one has a suitable place to suggest for the bureau, he should ring up 22- and get in touch with Mr. Kells.

Next Thursday the Slogan man will have to prove that this is a good apple country. It is, for the right men with the right varieties and locations. If you can help the Slogan man, and have not been asked to do so, please consider this an invitation, and do your duty.

Right now Ed Biehn is packing some delicious apples at the Fruit Union building that are as fine as you ever saw or tasted.

In the same building Robert Paulus has a force packing prunes. Some of the prune labels being used by Mr. Paulus are wonderfully attractive; so is the fruit going into the boxes with the labels.

The music loving people of Salem ought to fill the First Methodist church tonight, to hear Alfred Hollins, England's famous blind organist. Even so, it would be a small audience compared with those which have been greeting him on his present tour in this country.
