

## BEARCAT QUINTET GETS INTO ACTION

Willamette Basketball Practice to Start, 35 Men Are Reporting

Official call for basketball men was issued by Coach Guy L. Rathbun, of Willamette university on Tuesday. About 35 men responded. Three lettermen, Robertson and Fasnacht, forwards and Erickson, guard, have turned out. Around these three Coach Rathbun will build his team for the coming season.

Prospects are brighter for a winning team this season than for several years. Riedell, six footer, who starred for the rooks at center last year, will be out for this berth on the varsity. He is sure with his hands, and was the best shot the rooks had last year. Herrman played in several varsity games last season as forward, where he showed considerable speed. It is believed that he will report, although he did not do so yesterday. The Bearcats have plenty of promising material for forwards and center, but Erickson is practically the only sure bet at guard. Scott, of last year's rook squad is a possible contender for a guard berth.

Practice will be held daily from now on, starting at about 4 p. m. Coach Rathbun is endeavoring at the present time to arrange a barnstorming trip during the Christmas holidays that will carry the team down through southern Oregon and into Northern California.

## PEACE AT PREMIUM IN MITCHELL CASE

Winship, law member of the court and which was overheard by Mr. Reid was that the dignity of the tribunal would be better preserved if both counsel for the defense and the prosecution stopped their "wrangling and bickering."

Finally Major General Robert L. Howze admonished opposing counsel to discontinue the wrangling and bickering between themselves.

## DEMPSEY-FIRPO GO NOW BEING TALKED

South American Issues Challenge; Dempsey Says Prop-osition Promising

BUENOS AIRES, Dec. 1.—(By Associated Press.)—An announcement from Los Angeles that Jack Dempsey is willing to meet Luis Firpo, Argentine heavyweight champion, if a bout can be arranged before Dempsey fights Harry Wills, drew a statement from Firpo today that he was ready for a battle with Dempsey July 4 at Tijuana, Mexico, or Los Angeles.

Firpo declared that he was prepared to put up a forfeit immediately and that he could start getting in condition and be at his best fighting weight by March.

LOS ANGELES, Dec. 1.—(By Associated Press.)—Announcement by Luis Firpo, Argentine heavyweight champion, that he was willing to meet Jack Dempsey in a Los Angeles bout was received in Dempsey's camp here tonight with the comment that it was "very gratifying and cheering news." Formal proposals to Firpo will be made immediately, Dempsey said.

Spokesmen for Dempsey declared that promoters were ready to stage a Los Angeles bout between the South American heavyweight and the world's champion, and that plans for the affair would be placed under way tomorrow.

One hitch, however, faced the proposed proceedings. Firpo must consent to do battle before July 4, Dempsey said. The world's champion said he was in good condition now, and would be pre-

## SAY 7500 TO SEE GAME AT MEDFORD

Hope Held Out That J. Drager Will Take Trip South for Contest

An unprecedented ticket sale is reported in Medford for the Salem-Medford game to be played in that city on Saturday, December 5.

Tickets for the game are already selling swiftly, and it is declared by those from the southern city that the crowd to pack Scovoc field Saturday will exceed 7500.

Large delegations from nearby cities such as Ashland, Grants Pass and Klamath Falls have written for tickets and newspapers of San Francisco and Sacramento have wired for press tickets.

Medford fans have been concerned at the report that Marsh-

field went through the season undefeated. They claim Medford beat this school October 31 by a score of 41 to 7.

Medford's team, said to be one of the most powerful in years, has been developing speed with limbering up exercises and fast signal practices. Practically no scrimmage is being indulged in by the southern boys, as every effort will be pointed to beat Salem by sheer speed. In the one contest the two schools have played before, Salem defeated Medford 14-13, and Medford is looked to place every effort to avenge herself.

Coach Huntington announced last night that there will be some scrimmage this afternoon, the last practice scrimmage for the team this season. Last night no scrimmage was held, but the men were given a long and fast signal practice. Kicking practice was also held, with Temple doing the punting.

J. Drager's condition is improving, it was reported last night, and it is possible he will make the trip. If he is able to work into the game, and take care of the

putting for the red and black warriors, Salem's chances of victory will be enhanced.

Salem's chances were also strengthened yesterday when it was learned definitely that Lang, regular full, will be able to play, and will make the trip south. Lang has been out most of the season with a sprained ankle.

Eckert is definitely out as his ankle, which he sprained in the Hillsboro game, is still out of commission.

"The game with Medford will doubtless be the hardest for us this season," was Coach Huntington's comment last night. "They have one of the strongest teams of their career. That is certain, or they would not want to play us. There is little danger that the overconfidence that marked the Franklin game will crop out in the Medford game. The boys realize they are tackling their hardest job, but every one of them has his soul set on bringing back the victory to Salem."

## NATION'S CHILDREN ARE GREATEST CROP

(Continued from page 1.)

Mr. Dana declared that the state must not look for booms such as have taken place in California and Florida, stating that the growth of this state will be steady, and solid.

"Men have discovered that California, the land of sunshine and land—and not much else—is not the place to produce a living. Hopes have been blotted and they are coming to the Willamette valley. The valley is sound, for in no region where the people have to work to obtain a living will you find the flatters and the speculators that frequent the two states that have had tremendous booms."

## ORCHARD YIELDS LIQUOR

YAKIMA, Dec. 1.—Two 50-gallon barrels of alleged moonshine were dug up in an orchard here today by members of the county dry squad and Lawrence Voelker was arrested on a charge of possession of intoxicating liquor with intent to sell. Voelker was trying to raise bail of \$1,500 to post with the court alongside of two other

bonds he has recently posted on pending liquor charges. He is now appealing to the supreme court on one charge for which he has given bond of \$500. On another charge of possession of liquor with intent to sell, he has deposited a property bond of \$1,500 and is awaiting trial. Officers found the moonshine today buried 18 inches underground and confiscated a centrifugal pump used to convey the liquor to the surface for the retail trade, they said.
