THE ETERNAL MAN
We know that the real man is indestructible, that he has an existence independent of the physical body, that the body is merely the instrument fashioned by some inscrutable law of being to serve as his means of earthly expression. We know that sooner or later it will be outgrown by the immortal man, when a gentle hand will loose it, allowing him to slip from it like a butterfly emerging from the chrysalis.

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenru, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

James H. Allen, of 26 Forbes St., Rochester, N. Y., the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he has instructed druggists to guarantee as above in every instance.
