

YMCA GYM IS PACKED FOR OPENING GAMES OF JUNIOR LEAGUE TOURNAMENT

SURVIVORS WILL PLAY 500 HIGH SCHOOL ELIMINATION GAMES STUDENTS AT MEET

Leaders, Independents and Parrish Fives Victors in First Round

Three games of the Anderson junior league tournament were played off at the Salem YMCA gymnasium Saturday afternoon. The gym was packed to capacity with rosters. The YMCA Junior Leaders defeated the Whitman Pioneers, 12 to 8; The Hutchsons defeated the First Methodist Comrades 13 to 11; and the Parrish Juniors were victorious over the Jason Lee Pioneers, 16 to 7.

In the first game Whitman led at the end of the first half, but excellent shooting on the part of M. Goode, captain and forward, and Langhead, center, brought the junior leaders out of the dust, and into the lead. The lineup follows:

Whitman—A. Byrd, Jr., W. Hoar, Jr., Don Stigmund, c. H. M. Goode, c. H. George Lloyd, c. L. Langhead, c. Lester Colgan, Jr. R. Judson, Jr. Mel Propp, Jr. R. Steiner, Jr.

Junior Leaders—W. Hoar, Jr., M. Goode, c. H. George Lloyd, c. L. Langhead, c. Lester Colgan, Jr. R. Judson, Jr. Mel Propp, Jr. R. Steiner, Jr.

Independents—Hutchsons, c. H. M. Goode, c. H. George Lloyd, c. L. Langhead, c. Lester Colgan, Jr. R. Judson, Jr. Mel Propp, Jr. R. Steiner, Jr.

Although the Parrish juniors were one of the lightest teams on the floor, it is the consensus of opinion that they showed the best team work. Roth and Nash were the outstanding players for Parrish. Following is the lineup: Parrish Juniors—J. L. Pioneers Ed Roth, Jr. M. Nash, Jr. John Bates, Jr. Fred Hazaman, Jr. Nash, c. Pat Jarrill, c. Steinboch, Jr. G. Vanderhoof, Jr. S. Kitchin, Jr. Freeman, Jr.

Officials for the three games were: Referee, Scotty Marr; umpire, Charles Simpson; score keeper, Elmer Luing. Following is the schedule for games to be played during the coming week:

Comrades vs. Whitman Pioneers, Wednesday. Junior Leaders vs. Hutchsons Independents, Thursday. Jason Lee vs. winners of Comrade-Whitman game, Saturday. Parrish Juniors vs. winners of Junior Leaders-Independents game. Play for the title and the Anderson cup will be made Saturday evening.

BUDGET IS ADOPTED

ATLANTIC CITY, N. J., Dec. 5.—The general council of the Presbyterian church of America adjourned today after adopting a \$15,000,000 budget for the year 1926. The amount was \$400,000 less than obligations already contracted for the year, secretaries of the four church boards said.

MIRACLE MAN WILL RUN CAGE SCHOOL

Meanwhile, "Miracle Men of Basketball," to Help Train at U. of O.

UNIVERSITY OF OREGON, Eugene, Ore., Dec. 5.—(Special to the Statesman.)—Marking a distinct advance in the athletic progress of the west, Dr. Walter E. Meanwell, head basketball coach at the University of Wisconsin and called the "miracle man of basketball," will conduct a coaching school at the university next summer, according to announcement by Fred L. Stetson, director of the summer session.

Meanwell is regarded as the outstanding basketball coach in America. His record at Wisconsin is considered one of the marvels of modern athletics. His teams have won 165 games and lost only 23; placed first eight times and were never below third in the conferences in 11 seasons. Thirty-one members of the all-star team out of a total of 65 in 13 seasons have been from Meanwell's teams.

A two weeks' school, consisting of intensive courses for high school and college basketball coaches will be conducted by Mr. Meanwell. The basketball wizard has been giving coaching courses with Knute Rockne at Notre Dame and Wisconsin, in which more

than 850 coaches have attended. Dr. Meanwell is the originator of the pivot and short pass, five-men defense style of play, which in its variations is the basis for most of modern basketball. Meanwell's methods and technique have been spread several thousand times through coaches who have attended his various summer courses since 1912.

Some of his ex-pupils now recognized in their work are Olson of Ohio State university; Ruby of University of Illinois; Williams of University of Iowa; Lewis, formerly of University of Indiana and now of Wisconsin; Bond, University of Missouri; Chandler of Iowa state, and Tebell of North Carolina.

"I guarantee to discuss and to demonstrate in full the methods I employ in my conference sessions," Meanwell telegraphed today, in discussing the school at Eugene.

Aside from being a former star player, Dr. Meanwell's educational background includes a degree of doctor of medicine from the University of Maryland, a degree of doctor of public health from the University of Wisconsin, a year of interne work and a year as hospital pathologist in Maryland general hospital, Baltimore.

Dr. Meanwell is head and shoulders above every other coach, according to William J. Reinhardt, region's basketball mentor, who declares the coming of the Wisconsin man to the University of Oregon next summer will mean as much to Pacific coast basketball as Knute Rockne's coming meant to football.

Bits For Breakfast

So many lies—
And so many half truths worse than lies—

Are told about the penitentiary but it will take some time for many people to realize that the institution is in better shape than ever before—that all able bodied men there are at work; that it is an industrial institution, and growing more so every day, and is on the way to being a model prison and self supporting; absolutely.

Some of the credit for this is due to A. M. Dalrymple too, as those on the inside will know. He has been a victim of circumstances. In several particulars, he is the goat.

There is a crisis in the matter of the free employment bureau in Salem. The government gives \$720 a year to its support. But the wages of Sim Phillips, who does the main part of the work, is \$110 a month. When the new Y. M. C. A. building is occupied, a different location will have to be provided. The city is to be asked, at the council meeting tomorrow night, to give the use of a room for the bureau. Then it will take about \$100 a year for lights and heat, \$100 for telephone service, \$40 to fit up the room, and perhaps \$100 a year for incidentals. So there is a hiatus of around \$900 a year.

Some of the members of the Y. M. C. A. board are unwilling to have that organization bear much if any of this extra expense. But most of the members of that board think the Y. M. C. A. ought to contribute at least a fair amount of cash. The Salem Chamber of Commerce is full up, as is

the city, and so Marion county is being asked to help. As the matter stands now, it is possible that the work may be dropped, if Marion county cannot give considerable help. Does any one want this? It has been a splendid asset, for five years. The Salem district has gained a fine reputation on account of the free employment bureau. No one has ever been charged a red cent for the service. It is a mighty good thing to keep up. Both Marion and Polk county should help. So should the city, and the Salem Chamber of Commerce. Any way, the work ought not to be abandoned. It gets jobs for the jobless, at the rate of over 500 a month.

PROFESSIONALISM IS HIT

SEVERE RULINGS DEALT OUT BY FOOTBALL CONFERENCE

ST. LOUIS, Dec. 5.—(By Associated Press.)—Professional football was dealt a heavy blow by Missouri valley conference representatives here today.

Following the lead of the western conference, the valley representatives ruled that any one who had been connected with professional football as player, coach, official, manager or publicity agent could not be employed by conference schools in any athletic capacity. The ruling was made

retroactive and called for the dismissal of such men from present staffs.
