

# SALEM WINS FOUR BERTHS ON WILLAMETTE VALLEY HI ALL STAR GRID TEAM

## UNOFFICIAL SQUAD SELECTED BY COACH

Temple, Drager, Lyons and Noeske Are Named, Corvallis Honored

Willamette valley's all star high school football team. Of whom would it be composed? How many Salem men would appear? These were the questions put to Coach Hollis Huntington, Salem high school mentor by a State-mans representative.

Coach Huntington considered the matter for twenty-four hours, finally consenting to give an unofficial lineup of what he would consider to be the all Willamette Valley team for the past season. He based his judgments, not only

on brilliant playing, noticeable from the grandstand, but also on steadiness, resourcefulness, and general benefit to the team.

To Salem, Coach Huntington awards in his unofficial all star selection, but four places, in spite of the fact that Salem's team won the championship of the Willamette Valley. Temple at end, J. Drager at tackle, H. Lyons at center, and Noeske at half, are the Salem men to place on the team.

Coach Huntington was put in a somewhat precarious position—that of selecting an all star cast of the league in which his own team played. But his opinion was unbiased, and doubtless sport writers and coaches throughout the valley would agree with him almost to a man.

Corvallis is also given four places on the team, end, tackle, guard, and full back. Eugene is allotted two berths, guard and half. The quarter position goes to Mason of Albany.

Full lineup of Coach Hunting-

ton's unofficial selection for the Willamette Valley all-star team follows:

### LEWIS DEFEATS MUNN

HEAVYWEIGHT CHAMP TAKES TWO FALLS OUT OF THREE

DENVER, Colo., Dec. 8.—(By Associated Press.)—Ed "Strangler" Lewis, claimant of the world's heavyweight wrestling championship won over Wayne "Big" Munn two falls out of three here tonight.

Lewis took the first fall in 21 minutes and 35 seconds with a headlock. Munn gained the second fall after a lively session during which he tossed Lewis out of the ring twice. The time was 21 minutes 52 seconds.

Lewis took the final and deciding fall after applying a series of crushing head locks, which finally sent Munn to the mat after 21 minutes five seconds of wrestling.

all to reconsider its action. Professor Dodson, a member of the budget committee who had been instrumental in the vote eliminating the playground fund, declared:

"I seem to have been played up by the papers. I want to set myself right. I still hold to the opinion I held then. I am in favor of playgrounds, but I think it is a poor place to have one on the creek bank.

"The question with me was the relative merit of the playgrounds or the city library. The library asked for an increase of \$650. We took it out of the playground fund.

"People in charge of the playgrounds are thoroughly capable, but the apparatus is inadequate. Eight hundred dollars is not enough to maintain the two playgrounds.

"Besides, the playgrounds should have an age limit. I have seen boys 17 or 18 years old frequent the Fourteenth street playground, and some of them were swimming in improper bathing suits. Lots of people object to the condition of the water there." Earl Race also voiced his ob-

jection to reinstating the playground fund.

"This is a sad meeting for me tonight," he declared. "When I see you men here being serious over the remains of your endeavor."

"I know the playground is a dusty place, and that the water there is dirty. "The playgrounds accommodate only a few. They are so located that but a small section of the city is within convenient distance. The city pays over \$2000 for parks, \$1500 for a band, over \$9900 for the library, this for the children. Under the conditions, playground money is not well expended."

C. A. Kells, general secretary of the Salem YMCA, entered the last detailed plea for the playgrounds. "It is true there is not enough equipment. But we have built up ourselves what equipment we have, and we are making the most of it.

"Swimming is but a small part of the program. The boys are not allowed to stay in the water for long periods, but are limited to the amount of time.

"I have been in playground work for 15 years; in all that time I have not seen a playground conducted better than these in Salem. Miss Anne Simpson, of the Marion county child health

## WILLAMETTE VOTES IN ATHLETIC BOARD

Will Control Business Administration and Focus Local Sport Policy

By unanimous vote the student body of Willamette university yesterday declared themselves in favor of an amendment establishing a permanent athletic board for the school. The board has the business administration of athletics and the formation of a definite athletic policy as its duties.

Personnel of the board, as selected by the student body, follows: Alumni; Attorney General I. H. Van Winkle of Salem, Roy Hewitt of Corvallis and of O.A.C. and Vern Bain, principal of the high school at Springfield; Dr. R. E. L. Steiner of the state hospital for the insane was chosen as Salem business man, Paul Wallace as trustee representative, and Dean Frank Erickson as faculty member. Merwin Stolzeise was elected to represent the senior class, Keith Rhodes, the junior class, and G. Flesher, the sophomore class.

This personnel is but temporary. The alumni will nominate their representatives when they meet next June, and it is expected the trustees and faculty will nominate their representatives. Final election, however, lies with the student body.

Desire of the students to shake the seeming stagnation of athletics at the university was given as the principal cause for the creation of the board. It was held that under the former system, with the shaping of the athletic policy in the hands of the executive committee of the student body, the policy was necessarily changed every time the personnel of the committee was changed.
