

E. L. STARR TO HEAD REEVES LEGION POST

Anderson, Towe, Aruthnot, Carson, Reynolds, Beebe Are Honored

SILVERTON, Dec. 8.—(Special to The Statesman.)—Ernest L. Starr was elected commander of the Delbert Reeves post of the American Legion at Silvertown Monday night. Other officers elected were: Vice commander, George Anderson; adjutant, Casper Towe; finance officer, Walter Aruthnot; executive committee, Harry Carson, Charles Reynolds and Seth Beebe.

A feature of the Monday night meeting was the dedication of the beautiful new home of the Delbert Reeves post in the new Silvertown armory. The home was presented to the post by Capt. Henry Hutton in behalf of the Oregon national guard. Harry Carson, post commander of the legion, accepted the new home in behalf of the post. The dedication ceremonies were short but impressive. Adjutant General George A. White was present and made a very inspiring talk on the aim of the post. The Monday night meeting was the largest attended of the year.

A sum of \$42 was voted for the first, second and third prizes to be given to the Silvertown high school students writing the best essay on "The Patriot's Creed." This is a part of a national contest by the American Legion with prizes of \$750, \$500 and \$250 to be used for a college or university training.

It was also voted to hold an indoor turkey shoot in the near future, the basement of the new armory being thought a very suitable place for this.

Another thing of interest was the fact that the post postponed a big party and banquet which was to have been given in celebration of the new quarters, and will instead devote the money thus to have been used for the work of the local Christmas Cheer committee.

The Legion will also have a basket ball team this season, it was announced.

CHRISTMAS STAMPS OFFERED AT BOOTHS

Women State Seal Sale to Be Expanded, Post Office Headquarters

With the coming of Christmas season the motive behind the sale of Christmas seal stamps reacts in increasing sales, as the public increasingly realizes the work being done with Christmas seal money, to fight tuberculosis.

To list the record of accomplishments made possible by this annual Christmas offering, would be impossible, for it deals not only with work to cure those suffering but far more important, in the prevention of the acute stages of the malady, and the extensive educational program with intent to eliminate those causes which bring about spread and aggravation of the disease.

These worthy operations depend for their financial support upon the annual Christmas seal sale, now progressing.

With the state tuberculosis hospital within the county the people of Marion county are particularly aware of the seriousness of the disease. With nearly 600 people dying of tuberculosis in Oregon alone during 1924 and with an estimate that more than 5,000 people are afflicted with the disease at the present time in this state, the seriousness of combating the evil is apparent. The people of Marion county are aiding in the fight with the generous purchase of the Christmas seals which are being sold under the direction of the Marion County Health association.

In Salem the seal sale is handled by the Salem Woman's club. This week a group of club members, including Mrs. W. G. Allen, Mrs. Roy Burton, Mrs. Charles S. Weller, Mrs. C. S. Hamilton, Mrs. P. A. Eiker, Mrs. Paul Hendricks, Mrs. W. L. Phillips, Mrs. Wallace Bonesteel, Mrs. Al Krause, Mrs. Walter L. Spaulding and Mrs. George Griffith, are selling seals in the postoffice.

Seals will be sold at booths to

be erected at the following places on and after December 14: Bank of Commerce, with Mrs. F. G. Myers in charge; Miller's store, by Mrs. F. G. Bowersox; Stiff's Furniture store, by Mrs. Claire Vibert; Kafoury's, Mrs. William McGilchrist, Jr., and Mrs. Erwin Smith in charge.

During the luncheon meetings of the Rotary, Lions and Kiwanis clubs at the Marion hotel next week Mrs. J. Riggs will be in charge of the booth to be erected in the hotel lobby.
