At the next meeting of the club Mr. and Mrs. Homer Ingram will entertain with a Christmas party. This will be on December 22.

## Everybody Is Buying On The Burnett Budget Plan

No innovation ever known has been so cordially received as has the Burnett Budget Plan. In many cities it has been adopted by the largest department stores, and in many cases we have been requested to give them assistance in organizing a Credit Bureau. This we have been glad to do, for the reason that we believe the Burnett Budget Plan to be the happiest, easiest and most economical way of buying ever devised. Ample proof is found in the fact that all over the Pacific Coast we are supplying Diamonds—Watches—Silverware and Jewelry to thousands of people—to men of affairs as well as to salaried and professional people, and because we sell millions of dollars worth a year, we can (and do) sell for a little less than the old-time jeweler.
