DR. W. B. CALDWELL AT THE AGE OF 83

A Child's Laxative that Regulates for Weeks

Does the laxative you now give your baby or child promote regularity for weeks and often for months—or must you "purge" and "physic" the little one every little while to keep the system clean, fresh and sweet? Even a cross, feverish, sick baby or child will love the taste of Dr. Caldwell's Syrup Pepsin and one dose will establish natural, healthy bowel movement for weeks at a time, even if the child was heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose is necessary. Buy a large 60-cent bottle at any store that sells medicine and just see for yourself the difference between this pleasant, harmless, regulating laxative and the ordinary griping, nauseating "physic."
