

PHIL BAYES AND SOLLY BURNS TO STEP 10 ROUNDS AT ARMORY WEDNESDAY

BAYES AND BURNS WAITING FOR GONG

Excellent Fight Card Promised, With Hiller and McCoy Booked

With Bayes and Burns, headliners on Wednesday night's fight card in excellent evening trim, interest in tomorrow evening's battle is increasing.

"This will be one of the best events of the season," said Manager Harry Plant last night in reporting the weights of the two fighters as being well under 135 pounds each.

"Solly Burns has a good record behind him and is looking ahead for opponents of Bayes' class," commented Plant. "Phil Bayes will have to give his best if he keeps his hard won laurels and as Phil has been training consistently it is just a case of 'may the best man win.'"

In addition to the 10 rounds scheduled for the Bayes-Burns a first-class scrap is promised by Lemps Hiller, of Corvallis, who is going after Sparks McCoy in the semi-windup.

Listed as prelim follow-up but regarded as a very special number is the fast stuff expected of Shadow Gretz and Johnny Rose, 118 pounders who are here to make good.

Manager Plant announced yesterday that George McCormick, of Spokane has signed up to meet Salem's "go-ket-em" scrapper, Frankie Lewis, who has been taking all comers lately.

Memberships in the club is always open to the public, and any one desiring membership may call Dr. G. E. Prime, president, or attend the meeting.

KNUTE ROCKNE TO RETAIN POSITION

Conflict in Terms Brings Withdrawal of Offer of Columbia University

NEW YORK, Dec. 14.—(By Associated Press.)—Columbia university officials announced tonight they had withdrawn their offer to Knute Rockne of Notre Dame to become head coach of the local football squad.

Action by the Columbia football committee followed a long conference this afternoon with Rockne, during which he admitted he was already under contract to the University of Notre Dame, where he has acted as coach for eight years.

In an official statement, the Columbia committee also said Rockne had signed a three-year contract to coach football at Columbia, effective next spring, but made no attempt to explain Rockne's apparent failure to reveal the existence of his contract with the Indiana institution, while negotiating the new agreement.

Rockne, in a statement tonight declared his agreement with Columbia was made contingent specifically upon his release by Notre Dame and that he had not been consulted in connection with his appointment as coach to the New York institution.

SOUTH BEND, Ind., Dec. 14.—(By Associated Press.)—Notre Dame will not stand in the way of Knute Rockne, if he wishes to go to Columbia university, President Matthew Walsh declared tonight when informed Rockne had signed the Columbia contract without informing Columbia representatives of his contract with Notre Dame.

"Rockne can stay at Notre Dame or he can leave. It is up to him. The contract means nothing to us. If he can better himself at Columbia I will be the first to congratulate him," Father Walsh declared.

Road district No. 1, Clatsop county, will spend \$208,000 on roads, during 1926.

CALL WALDESPEL CASE SCHEDULED TO COME UP FOR HEARING THIRD TIME

The trial of Carl Waldespel on a charge of driving while under the influence of intoxicating liquor is again scheduled to come up, this time tomorrow afternoon.

Waldespel was arrested for the alleged crime October 24. He could not find a lawyer, it is said, and for some time his case hung fire.

He was released on bail November 12—over a month ago—and has been enjoying liberty since then. Guy Smith, it is said, has been retained as his lawyer. This is the third time his case is supposed to have come up. On the other two occasions circumstances arose necessitating postponement of the trial.

By this arrangement the poor shooters got as many birds as the experts. The largest turkey, which weighed 22½ pounds, was won by Johnnie Herren; of the Middle Grove nursery. Herren won the bird from about 26 other contestants who were competing in this event.

The figures of the gun club show very small margin over and above the actual expenses of buying the birds and running the shoot. There were but very few contestants who failed to win a bird, and those who did win birds were well satisfied.

Since the gun club has been organized, there has been some excellent marksmen developed which is rather extraordinary because the club has only been in existence nine months. Trap shooting is coming to be considered a high type of sport.

The club will hold its regular meeting next Thursday night instead of Tuesday night as was planned. The meeting is called at 6:30 at the Spa, where a dinner will be served followed by a business meeting.

SALEM ROD AND GUN CLUB EVENT TO LAST WELL INTO THIS AFTERNOON

The Salem Rod and Gun club is sponsoring a turkey shoot today which will be the largest shoot that has been held in the valley this year.

The sportsmen will be divided into three groups, good, medium and poor shooters. Men who shoot well will not compete with men who do not shoot so well. The sport will be governed by field captains, who will formulate squads composed of men of their own class.

Besides corn-fed turkeys which range in weight from 10 to 15 pounds, there will be capons and geese. The bird being shot for will be selected from the flock and placed in a cage near the pull station, so that the shooters may see and examine to their own satisfaction, the bird for which they are shooting.

According to Dr. Prime, the gun club is going to make the fees for shooting reasonable, so that the birds will be sold at very little or no profit. The shoot will start promptly at 9 o'clock, and will probably last well into the afternoon, on the Rod and Gun Club's shooting grounds.

TOP HAT SPORTSMAN RESIGNS TO MODERN

Lord Lonsdale Keeps Mutton Chops But Puts Electricity in Castle

coaches and other institutions of by-gone days, has astonished his friends and neighbors by announcing that Lowther Castle hereafter is to be lighted by electricity.

All the ancient oil lamps are to be discarded and an up-to-date system of electric lighting is being installed throughout the castle, where the peer makes his home, surrounded by fields and dense forests. His whole estate comprises of 150,000 acres.

But this departure from conservatism is to go no further. Lord Lansdale has decreed. The change has been brought about, he said, merely to please Lady Lonsdale, who persuaded him to try "this new fangled idea" just to see what it is worth.

High School Seniors Win Class Tournament

Seniors won the interclass football tournament held at the Salem high school, by defeating the sophomores 13-0 Monday afternoon. The sophomores eliminated the juniors Friday afternoon, defeating them 7-0. Winning of the tournament gives the senior class a good chance to take off the interclass rivalry honors of the high school this year.

BACKPAY-OAC CASE TO BE HEARD TODAY

Gustav Dunkelberger Declares \$2,000 Due Him for Back Services

Trial of the case for Gustav Dunkelberger to recover \$2000 from the board of regents of Oregon agricultural college for alleged breach of contract, has been set before Judge Skipworth of Lane county at Corvallis today.

Mr. Dunkelberger alleged in his complaint that he was employed as a music teacher at the agricultural college in the year 1923, with the understanding that he would receive all the receipts from tuition paid by students in the music class. It was charged by plaintiff that other teachers later were employed by the board of regents with the result that the tuition was split four ways, and he lost an aggregate of \$2000.
