ASSOCIATION BILL AT HEILIG TODAY

Five Acts of Vaudeville Featured; Pictures Will Also Be Shown

The Association vaudeville program at the Heilig theatre today is a well balanced bill and is said by Manager Holt to be one of the best vaudeville bills yet offered by the Heilig.

Officer Hyman, "The Real Cop," is featured in song and humorous stories. Mr. Hyman has served for 25 years on the police department of New York City. In his vaudeville monologues he relates a fund of humorous stories gathered during his quarter of a century of service on the force. He has a very pleasing personality and works in the New York police uniform.

Tafanoff & Company presenting a "Breath from Musical Comedies," come direct from Rumania where they had the honor of dancing for many of the European royalty. They present a dance offering that is cleverly arranged and effectively staged.

The Sunset four, calling themselves "Eight Hundred Pounds of Harmony," possess all the entertaining talents, so often attributed to the American negro. They specialize in harmony numbers using popular negro selections. This imitable quartette illuminate a melody with their shuffling feet, gesturing hands and contortions of their mobile faces.

"The Enchanted Forest," as presented by Les Klicks, is said to be the only act of its kind in the world. It is a dazzling, puzzling novelty along the black art line in which animated forms of all kinds are electrically projected

ed on a darkened background. The youngsters in particular will be delighted with this act as they will see many of their old nursery rhyme friends in action before their eyes. There is nothing of the ordinary marionette act in the presentation.

The Musical Shermans have a musical offering that is hard to beat. The talented team plays the guitar and banjo with versatile ability and offer many popular selections in an entirely new manner.

NEWS BRIEFS

Ball Is Forfeited—George Miller of Albany forfeited \$20 ball yesterday when he failed to appear in the police court to answer a charge of speeding. Miller was arrested here Wednesday evening by Officer Edwards. He is said to have been going 40 miles an hour on North Capitol street.

Department Added to YMCA—C. A. Kells, general secretary of the Salem YMCA, has received word that a new department has been added to the national association. The department will deal solely in work with high school boys. Glenn E. Jackson, of Minneapolis, Minn., has been appointed secretary of this department.

Realtors Entertained—Members of the Marion-Polk County Realtors association were entertained with singing at their luncheon yesterday. Rev. and Mrs. DeYoe of the Leslie Methodist church of this city sang two duets, "The Song I Heard Last Night" and "Good Bye, Ye Roses Fair."

Men's Night—Tonight will be Men's night at the Court Street Christian church. The Stivers Evangelistic company has arranged the whole service for men. There will be a men's choir, and the men will all sit together in the auditorium. Four women will do the ushering. The evangelist's message, "A Man's Work in a Man's Way," has in it a challenge to every red-blooded man in Salem which every man should hear. Thursday the Evangelistic company were greeted with a large audience. "Shall We

Know Our Loved Ones in Heaven?" was Evangelist Stivers' sermon. The question box is adding to the interest of these meetings this week. Questions asked one evening are answered the next night. A secular concert and entertainment will be given by Mr. and Mrs. Lorraine Stivers on Saturday night.

Standard Bearers—The Standard Bearers of the First M. E. church held their regular meeting last Tuesday Dec. 15 at the home of Mrs. D. W. Riddle, Kimball school. The assistant hostesses were the Misses Dorothy Gutekunst, Gladys Taylor, Beatrice Hartung, Helen Brethaupt, La Vada Maxwell, and Mrs. Lee. The Devotions were read by Miss Doris Phinece, and the lesson on Prayer, interestingly presented by Mrs. Blatchford, was followed by a special feature and the usual business meeting. Later a lunch was served and the meeting was closed by a ceremony at which each girl was presented with a silver anniversary box.

Students Hear Tully—Rev. N. K. Tully, pastor of the First Presbyterian church of Salem, addressed the students of Willamette university during the chapel hour Thursday. He spoke on "What Christmas Means to Me."

TUSCALOOSA, Ala., Dec. 17.—Official announcement of the 22 men of the University of Alabama football squad to make the trip to the Pacific coast to play the University of Washington in Pasadena during the tournament of roses was made by university officials today.

DRAINAGE DISTRICT BOARD ORGANIZED

T. B. Kay, Frank Durbin and W. H. Steusloff to Call Meeting

The board of the drainage district in southeast Salem has just been organized, with chairman, T. B. Kay; secretary, Frank Durbin, and a third member, W. H. Steusloff.

Kay said yesterday that he was going to have a meeting of the farmers in the district within the next few days, to find out what they think about the improvements.

Durbin and Steusloff, were the

main objectors when the county court approved the plan, and so when these two men were elected on the board, it was thought, they might object to it, but since the board has met they are heartily in favor of it.

Kay further said that the reason for this meeting was to find out whether the farmers wanted to go ahead with the proposed improvements, or what they wanted to do. If the farmers and landowners seem to be in favor of it, the board will make an inspection to find out just what is needed. If they express themselves against it, the board will abandon the idea.

The region to be drained is near the Turner Road, where floods have been known in the past. A system of ditches has been proposed which would drain, and could also be used for irrigation in summer months.

The new board is well qualified to undertake the work, being old residents of the city, closely in

touch with conditions. In 1861 a flood became uncontrollable and the highest record flood since then was estimated at 4,000 second feet.

ELECTION IS CALLED—ROSEBURG, Or., Dec. 17.—A proclamation issued by Governor Pierce calling a special election on the proposed Umpqua highway improvement district was received here today by County Clerk Riddle, who is making the necessary arrangements for the election.

REALTOR PROTESTS POOR COOPERATION

Lack of cooperation on the part of Salem business men with Salem realtors was declared to be one cause of retarding the building progress of Salem by Louis Bechtel, in addressing the Mar-

Folk County Realtors yesterday noon. In Los Angeles, he said, the butchers and grocers and other business men will direct newcomers to the realtors, knowing that if they settle they will be customers. Salem business men do not seem to realize this, Bechtel said. The annual report of the Multiple Listing bureau was submitted at the meeting of the realtors.

Medford building permits for 11 months total \$882,836.
