December 18, 1925

A MUCH NEEDED PRAYER:—Create in me a clean heart, O God, and renew a right spirit within me. Psalm 51:10.

SALEM'S SECOND LINEN MILL

The board of directors of the company proposing to build Salem's second linen mill are now proceeding to buy the machinery and will go ahead with the selection of the site and the construction of the building in regular order. That is great. Now for the third linen mill, which should be a specialty mill, taking yarn from the first and second.

THE WORLD COURT

The debate on the question of entering the Permanent Court of International Justice—usually referred to as the World Court—was opened in the United States Senate yesterday.

And the indications are that it will be long and bitter. It is difficult for any one sincerely favoring the ushering in of permanent world peace to understand why any member of the United States Senate, or any American clothed in his right mind, can with a good conscience and an honest purpose oppose the participation of the United States as a full member in the deliberations of the World Court.

For the World Court is, in a significant sense, an American idea; an outcome of the two Hague conferences which established and developed the old Hague Court of Arbitration; for in those two conferences the American delegates urged the establishment of a permanent court of international justice similar in most essential features to the World Court that actually came into being in 1920.

President Harding favored the United States joining the World Court; President Coolidge favors it; practically all the newspapers of standing in this country favor it—

And the writer believes nine-tenths of the intelligent people of the United States favor it—

Which makes the opposition in the Senate, led by Borah, contemptible.

HANDCUFFED, MAN TAKEN FROM CITY

Some burglaries recently committed in Portland will apparently be accounted for due to the capture early yesterday morning of George C. Rider, said to have confessed to burglaries in that city.

Patrolman Wintersteen came upon Rider and G. A. Bodine at 1:30 o'clock while he was patrolling his beat in South Salem. The men were unable to explain satisfactorily their presence in the neighborhood at that hour.

Search showed Rider carried a .22 caliber long Colt automatic in his hip pocket. Bodine declared he had just come from Longview, Wash., and that he had met Rider in a local pool hall.

At first, Rider gave an alias. But when officers told him his finger prints were to be taken, he is said to have declared:

"All right, boys, the fun's on me." Thereupon, according to police officials, he admitted he is an ex-convict, having served time in San Quentin.

He also admitted that he was responsible for several of the burglaries in Portland that have recently drawn the attention of the metropolitan police.

"How many houses have you broken into in Portland?" he was asked.

"Oh, I don't know. Eight or ten—maybe more."

A Portland officer arrived yesterday afternoon and escorted Rider by stage back to the city of his recent operations. Rider was handcuffed before starting his journey. He appeared indifferent as he left the local station, smiling at the officers in charge, but having nothing to say.

Bodine was released yesterday afternoon. Investigation revealed no connections with Rider, nor participation in any crimes in this city or any other.

BOY SINGERS GIVE CONCERT TONIGHT

The Salem Boys' Chorus will give their first concert of the season at the First Methodist church of Salem this evening at 8 o'clock. Community singing will be a feature of the program.

Boys of the chorus held their last rehearsal last night. Dr. H. C. Epley, who is directing them, reports that they are in fine shape for their program. Christmas numbers, solos, quartets and semi-chorus numbers will be included in the program.

Admission to the concert will be free, as it is the aim of those interested in the project to afford as large a crowd as possible for the boys. A silver offering will be taken, however, to help defray the expenses of the work. In case there is a surplus, the money will be turned over to the Associated Charities to carry on the Christmas cheer program.

Community singing is emphasized for the evening. Dr. Epley has had wide experience in community song leading. The audience will be given the opportunity to join in singing old time songs and Christmas numbers.

Members of the YMCA junior leaders will usher for the occasion.

PLAN BALL TOURNAMENT FOR OLDER PLAYERS

Older Boys' Basket ball tournament will be one of the outstanding features of the program to be put on at the local YMCA during the Christmas holidays. This is to be an elimination tournament. The losers will be matched for the consolation prize.

Six teams will compete: the Flyers, Athenians, Night Hawks, Demons, Grizzlies, and Leslie M. E.'s. All boys under 19 years of age are eligible for the teams to participate in the tournament.

First games of the tournament will be played Saturday afternoon, December 26, and the tournament will be continued throughout the following week.

Basket ball games will be in progress during the entire Christmas holidays. All kinds of challenge

games are to be played. Any team in the city wishing to challenge for a game is asked to notify Bob Boardman, physical director.

There will also be a Pioneer club basket ball tournament, to decide the championship of the pioneer clubs of the city. Five or six teams will participate in this.

Two ping pong tournaments will be staged as added features for the holidays. One will be for boys in high school and the other for boys under high school age.

During the holidays the YMCA will be thrown open to every boy in the city. Any boy may participate in the ping pong tournaments, whether he is a member of the YMCA or not.
