## Christmas Suggestions!

DISTINCTIVE STATIONERY is in excellent taste as a Christmas gift!

Any fastidious woman will welcome stationery of the best quality and design.

A gold or silver pencil and fountain pen set is a good suggestion, too, if she doesn't already possess these articles. They are really a necessity, and can be decidedly ornamental as well!

Come in and look over our stock of fine stationery! Writing materials and articles of all kinds, and all the best!
