

ANNUAL MEETING TIME IS CHANGED

Trinity Church Members to Gather at 7 O'Clock Thursday Evening

SILVERTON, Or., Jan. 11.—(Special to The Statesman.)—At a special meeting held at Trinity Church Sunday afternoon the members voted to grant the petition which was signed by a number of Silverton business men who are members of the congregation, asking that the time of the annual meeting be changed from Thursday morning at 10 o'clock until Thursday evening at 7 o'clock.

This was done in order that a number of those in business could attend who otherwise would be unable to leave their work. A number of important matters of business will be brought up at this time. Among these is the question of securing individual communion glasses to replace the single goblet now used. It has not yet been decided to make this change, but the question will be voted upon Thursday evening. Another matter which will be taken up is that of the Lutheran chalet which has been held each year for some years past at Gladstone. Heretofore the arrangements have been in the hands of the Lutheran Ministerial association.

For some reason or other the ministers wish the congregations to take charge now in cooperation with them. Their plan is to have each congregation send delegates, the number of delegates to be determined by the number of members of the congregation, to a central place to be selected later. These delegates together with the pastor will form a board of directors. Congregations will pay fees of a dollar for each delegate.

Officers for the ensuing year will also be selected at the coming meeting. These will include a board of directors, finance officers, secretary and others.

Perhaps the matter attracting the most attention is the question of changing the services from English to all English.

URGE ALBANY SUIT TRIAL BE ADVANCED

Attorney Asks That Barrett Brothers Bridge Case Be Moved Up on Docket

J. M. Devers, attorney for the state highway department, yesterday filed a petition in the state supreme court asking that the case of Barrett Brothers against the Union Bridge company, involving the completion of the new bridge spanning the Willamette river at Albany, be advanced on the supreme court docket.

This case originated in the Linn county circuit court when Judge L. R. McMahon granted a permanent injunction restraining the bridge contractors from completing the structure. It was alleged by the plaintiffs that the completion of the bridge would result in material damage to their property, which is located near the Albany approach of the structure.

The bridge was opened recently for travel with the understanding that no permanent improvements would be added until the decision of the state supreme court is forthcoming.

Indiana Governor and Senator Political Topics, Call on President

Indiana political circles are discussing the possibility of Governor Ed Jackson running against his appointee, Arthur R. Robinson, for United States senator. Ralston because of his alleged Klan affiliations.

MULTIPLE LISTING BUREAU IS ACTIVE

Inquiries From Prospective Buyers Constantly Received, Claim

Salem Multiple Listing Bureau has fared well during the last year according to summary submitted at the annual meeting of the bureau. During the year total value of all listings amounted to \$1,735,725.

Value of the property sold through the bureau amounted to \$118,425. Thirty sales were made through the bureau during the year. "Lists" were sent out advertising listed properties to prospects throughout the United States and Canada. There were 15,000 of these sent out by the bureau.

Officials of the bureau report that they have a large number of inquiries on hand from prospective purchasers secured through the bureau activities. These activities, it is thought, will bear fruit as soon as these prospective settlers can close up their affairs and come west.

The new board of governors of the bureau, elected to serve for the coming year, are George H. Grabenhorst, W. M. Pennington, Louis Bechtel, W. G. Krueger and A. C. Bohnstedt.

Bohnstedt was appointed to serve as chairman of the board of governors for the third consecutive term. Pennington was appointed vice chairman, and Bechtel was appointed treasurer.

Mrs. Myers resigned as executive secretary of the board of governors to assume a position in the office of the state labor commissioner. Miss Winnifred Gamble has been selected to serve as executive secretary for the bureau.
