

Salem on "Off Night" Defeats Ashland High by a Score of 25 to 18

LOCAL BAND GIVES COLOR TO CONTEST

Squad Will Travel to Albany for Game Tonight, Close Fight Predicted

Salem high school defeated Ashland high school on the local floor last night 26-18. The game, slow from the outset, was marked with poor passing by both teams. It

Ashland's defeat can be attributed more to her own bungling style of passing and inability to connect with the basket than to the work of the Salem team. Time after time referee Pug Ross found it necessary to call Ashland for running. And when one of the visitors would have a clear floor and an open shot, he would miss it by trying to pass it to some one else.

One of the bright features of the game was the playing of the Salem high school band. They played well and have not played this season. They joined the students by playing the school songs. For the first time this season, they received repeated calls from the audience for "more."

Salem, perhaps, was saving her energy for this evening's tilt with Albany. The game is to be played at Albany. Although reports come in on one hand saying Albany has a strong team, reports come in on the other hand saying Ashland defeated her. Albany has always given Salem a hard game, however.

The best way is HILL'S. It is so evident that millions have come to smite it. It is so supreme that we pay \$100,000 for it. Come HILL'S alone. See what wonders come tomorrow. You will be surprised and delighted. At your drug store.

PONTIAC SIX COACH

NEW AUTO IS NOW ON DISPLAY HERE

WEBFOOTERS WIN FOR TENTH TIME

Pontiac Six, New Product of General Motors, Now at Vick Brothers

Defeat Portland Western Union Champ Five; Play Silverton Friday

Pontiac, "the chief of the sixes," here. The first arrival of this new General Motors automobile, manufactured and distributed by the Oakland Motor Car company as a companion to the Oakland six, has been placed on display by Vick Brothers, local dealers. The new car will be shown here this afternoon.

The new Pontiac six made its debut at the New York automobile show where its many distinguished features of engineering design and body refinement and low price when announced created a sensation. The new Pontiac is being made in two body types—a five passenger coach and a two passenger coupe.

The Pontiac six appears designed to take a place with the leaders. It fully lives up to the advance notices previously printed about it. It is a car of characteristic General Motors quality. The beautiful Fisher built bodies with rich fittings and the lustrous Duco finish in two colors belie the fact that the Pontiac is one of the lowest priced six-cylinder cars on the market.

Mechanically and in structural design the same attention to quality construction is apparent. The engine is of the six-cylinder, L-head type with a host of advanced features which are noteworthy in a car of such low price. It is a moderate speed type, best suited for long life and endurance.

The Fisher built bodies are low-slung and roomy with a distinctive treatment of the double body heading, the lower heading curving up to a higher level back of the doors. The radiator is nickel-plated with a unique double medallion name-plate in front and a bronze-faced Indian head radiator cap, suggestive of the name of the car.

PORTLAND, Or., Jan. 25.—(By Associated Press)—The 27th an-

Taking their tenth straight victory, the Salem Webfooters, local 19-year-old champs, took the toll of the Portland Western Union five by a score of 23 to 9.

The Portland team recently won the Western Union championship played in Seattle. The players were larger than the local boys, and the game ran slow until the closing moments when it picked up.
