

QUARANTINE ORDER No. 18 (With Regulations) Pertaining to Alfalfa Weevil

The fact has been determined by the President of the Oregon State Board of Horticulture that an insect injurious to alfalfa and other forage and cover crops, known as Alfalfa Weevil (Phytonomus pascuella, Gyll.), new to and not heretofore prevalent or distributed in the State of Oregon, exists in the States of Utah, Idaho and Wyoming, and in certain counties of the State of Colorado, to-wit: Delta, Gunnison and Montrose, and in certain counties in the State of Nevada, to-wit: White Pine and Washoe, and in certain counties of the State of California, to-wit: Sierra, Plumas and Lassen, all of which being heretofore designated as infested territory, and that alfalfa hay and other hay and cereal straw, alfalfa meal, alfalfa seed, salt grass packing, baggage, emigrant movables, household effects, camping effects, camping implements, live stock, potatoes, nursery stock, used alfalfa meal, used alfalfa meal machinery, and all machinery, implements, bags and other containers that have been used in the milling, baling, harvesting or threshing of alfalfa, railroad cars, automobiles, automobile trailers, trucks and other vehicles are liable to be carriers of said alfalfa weevil into territories otherwise free from this pest.

NOW, THEREFORE, I, Chas. A. Park, President of the Oregon State Board of Horticulture, declare that it is necessary in order to prevent the introduction of said alfalfa weevil into the state of Oregon, that a quarantine be established at the boundaries of the State of Oregon, under the authority conferred by Section 3, Chapter 244, of the General Laws of Oregon of 1913, Section 4, Chapter 342 of the General Laws of Oregon of 1915, against said alfalfa weevil, all alfalfa hay and other hay and cereal straw, alfalfa meal, alfalfa seed, salt grass packing, baggage, emigrant movables, household effects, camping effects, camping implements, live stock, potatoes, nursery stock, used alfalfa meal, used alfalfa meal machinery, and all machinery, implements, bags and other containers, that have been used in the milling, baling, harvesting or threshing of alfalfa, railroad cars, automobiles, automobile trailers, trucks and other vehicles from said infested territory except as hereinafter provided.

REGULATION 1. Alfalfa hay and other hay and cereal straw and alfalfa meal, except as herein provided, that has been grown, manufactured or stored in the said infested territory is hereby prohibited from entering the state of Oregon for any purpose whatsoever, and upon the arrival of any such hay or straw or meal as quarantined against in this order, the same shall be immediately sent out of the state or destroyed at the option and expense of the owner or owners, his or their responsible agents.

REGULATION 2. All nursery and ornamental stock and other plants imported or brought into the State of Oregon from the said infested territory must be packed in fresh shavings, excelsior or other suitable packing, (except tube, hay or straw) and each shipment must be accompanied by an official certificate establishing the fact that each package in the shipment has been fumigated for a period of one hour for alfalfa weevil in an airtight enclosure, subsequent to being boxed, baled or packed for shipment, with cyanide of potassium or sodium at the rate of one ounce to each one hundred cubic feet of space. All shipment of nursery and ornamental stock and other plants as enumerated in this regulation, not accompanied by certificates as heretofore provided for shall be refused admittance into the State of Oregon, and all such shipments shall be immediately sent out of the State or destroyed at the option and expense of the owner or owners, his or their responsible agents.

REGULATION 3. No shipment of household effects, or emigrant movables, originating in said infested territory shall be brought into the State of Oregon by any common carrier, person or persons unless such shipment be accompanied by a sworn statement made in duplicate by the owner or shipper, in accordance with the following form, on blanks which will be furnished to applicants by the inspection official of the state in which shipment originates, one of such duplicates designated as Copy No. 1 to be mailed to the Quarantine Officer, Oregon State Board of Horticulture, Salem, Oregon, and the other of said duplicates designated as Copy No. 2 to be delivered to the common carrier agent, with a special certificate appended, to attach to the way bill:

State of \_\_\_\_\_ ) ss. County of \_\_\_\_\_ ) I, \_\_\_\_\_, of the County of \_\_\_\_\_, do hereby solemnly swear that I was present during the preparation for shipment of the household effects or emigrant movables which this affidavit accompanies; that the goods were delivered to \_\_\_\_\_ at \_\_\_\_\_ (Railroad) (Station) \_\_\_\_\_ (Month, day, year) \_\_\_\_\_ constituting (less than) a carload \_\_\_\_\_ (If enclosed write initials and car No. here.) \_\_\_\_\_ to be shipped to \_\_\_\_\_ (Name of consignee) \_\_\_\_\_ (Destination) \_\_\_\_\_ (Give initials of other lines.) \_\_\_\_\_ that no alfalfa seed, nursery stock, vegetables or fruit is included in the shipment and that no hay, straw or grain is included for packing material or any purpose except as food necessary for live stock in transit to the Oregon state line; that the shipment is made up of the following: \_\_\_\_\_ Household goods, farm implements, tools, harness, farm wagons, automobiles (draw a line through items not included), stands of bees, live stock \_\_\_\_\_ (Specify.) \_\_\_\_\_ feed for animals in transit \_\_\_\_\_ (Specify kinds and amount of each.) \_\_\_\_\_ and \_\_\_\_\_ (Specify any items not included in previous classifications.) \_\_\_\_\_ (Shipper or owner.) \_\_\_\_\_ Subscribed and sworn to before me \_\_\_\_\_, a Notary Public in and for the State of \_\_\_\_\_, this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_.

My commission expires \_\_\_\_\_, 19\_\_\_\_. The special certificate from the owner or shipper to be appended to Copy No. 2 shall be in accordance with the following form: I hereby agree to observe explicitly the requirements of the Oregon Quarantine Order No. 16 with regard to hay, straw or grain (included as stock feed for use before reaching the Oregon State line), household and agricultural migrant movables and other animals and hereby certify that I have mailed this day one copy of the foregoing affidavit to the Plant Quarantine Officer, Oregon State Board of Horticulture, Salem, Oregon. \_\_\_\_\_ (Signature.)

Upon the arrival at any common carrier station of any shipment of the articles enumerated in this regulation such shipment shall be held intact until the President of the Oregon State Board of Horticulture, his deputy or deputies or his representative in the district or county in which such shipment is received, has been notified and a certificate of release issued.

REGULATION 4. It shall be the duty of all common carriers to clean and free of alfalfa hay and other hay and cereal straw, all cars that have been used for the transportation of live stock, or alfalfa hay and other hay and cereal straw in or through any part of the said infested territory before the same enter the State of Oregon.

REGULATION 5. Used alfalfa meal, used alfalfa meal machinery and other machinery and implements that have been used in the baling, milling, harvesting or threshing of alfalfa will be admitted into the State of Oregon from the said infested territory only upon compliance with the following requirements: Persons contemplating the importing or bringing into the State of Oregon any of the articles enumerated in this regulation shall first make application to the President of the Oregon State Board of Horticulture for a permit to do so, stating in the application the name and address of the exporter, the locality from which the shipment is to be made, a description of the articles for which a permit is requested, the terminal point of delivery and the name and address of the person in Oregon to whom the permit should be sent. Any and all shipments of such machinery and implements heretofore enumerated in this regulation imported or brought into the State of Oregon under authority of permit issued by the President of the Oregon State Board of Horticulture shall have attached to each shipment a certificate signed by the official entomologist of the state from which such shipment was made, showing the number of the permit to import and establishing the fact that all machinery and implements included in the shipment have been cleaned and fumigated with hydrocyanic acid gas before being loaded for shipment, the date and place of fumigation, and the amount of cyanide used in the fumigation of the shipment covered by the certificate. Any and all shipments of machinery and implements not accompanied by a certificate as provided for in this regulation shall be refused admittance into the State of Oregon, and upon the arrival of any such machinery and/or implements without a certificate as provided for, the same shall be immediately sent out of the state at the expense of the owner, consignee or agent.

REGULATION 6. Baggage, emigrant movables, household effects, camping effects, camping implements, used farming implements and other field appliances imported or brought into the State of Oregon by other than common carrier transportation from the said infested territory shall be placed in quarantine by the President of the Oregon State Board of Horticulture, his deputy or deputies or his representative in the district or county into which such articles are imported or brought into the district or county in which such shipment is received, has been notified and a certificate of release issued.

REGULATION 7. Used alfalfa meal, used alfalfa meal machinery and other machinery and implements that have been used in the baling, milling, harvesting or threshing of alfalfa will be admitted into the State of Oregon from the said infested territory only upon compliance with the following requirements: Persons contemplating the importing or bringing into the State of Oregon any of the articles enumerated in this regulation shall first make application to the President of the Oregon State Board of Horticulture for a permit to do so, stating in the application the name and address of the exporter, the locality from which the shipment is to be made, a description of the articles for which a permit is requested, the terminal point of delivery and the name and address of the person in Oregon to whom the permit should be sent. Any and all shipments of such machinery and implements heretofore enumerated in this regulation imported or brought into the State of Oregon under authority of permit issued by the President of the Oregon State Board of Horticulture shall have attached to each shipment a certificate signed by the official entomologist of the state from which such shipment was made, showing the number of the permit to import and establishing the fact that all machinery and implements included in the shipment have been cleaned and fumigated with hydrocyanic acid gas before being loaded for shipment, the date and place of fumigation, and the amount of cyanide used in the fumigation of the shipment covered by the certificate. Any and all shipments of machinery and implements not accompanied by a certificate as provided for in this regulation shall be refused admittance into the State of Oregon, and upon the arrival of any such machinery and/or implements without a certificate as provided for, the same shall be immediately sent out of the state at the expense of the owner, consignee or agent.

REGULATION 8. Automobiles, automobile trailers, trucks and other vehicles from the said infested territory arriving in Oregon shall be placed in quarantine by the President of the State Board of Horticulture, his deputy or deputies or his representative in the district or county into which such vehicle arrives until it has been determined by inspection that the same is free from alfalfa weevil.

REGULATION 9. Baggage, emigrant movables, household effects, camping effects, camping implements, used farming implements and other field appliances imported or brought into the State of Oregon by other than common carrier transportation from the said infested territory shall be placed in quarantine by the President of the Oregon State Board of Horticulture, his deputy or deputies or his representative in the district or county into which such articles are imported or brought into the district or county in which such shipment is received, has been notified and a certificate of release issued.

REGULATION 10. Alfalfa seed will be admitted into Oregon from the said infested territory only when contained in bags or containers which have not been previously used in the carrying of alfalfa products other than cleaned alfalfa seed.

This order supersedes Quarantine Order No. 1, issued March 6, 1913, and Quarantine Order No. 5, issued August 3, 1919, and shall take effect immediately.

Done in the office of the Oregon State Board of Horticulture, Portland, Oregon, this 20th day of January, 1926.

CHAS. A. PARK, President of the Oregon State Board of Horticulture, Executive Office, Salem, Oregon Jan. 20, 1926.

I, Walter M. Pierce, Governor of the State of Oregon, do hereby approve the foregoing promulgation and designate the following three newspapers in the State of Oregon as the newspapers in which said promulgation shall be published.

Oregon Statesman, Salem, Oregon; Oregon Daily Journal, Portland, Oregon; Argus, Ontario, Oregon.

WALTER M. PIERCE, Governor of the State of Oregon. 126
