TEAMS BATTLE IN BIG GAME OF YEAR

Oregon Five as Yet Undefeated With Only One More Game to Play

CORVALLIS, Feb. 13.—(AP)—University of Oregon's basketball team defeated the Oregon Agricultural college five here tonight by a score of 32 to 17. The score at half-time was 12 to 4 in favor of Oregon.

With nine games already won without defeat, and but one more to play, against O. A. C. at Eugene next week, Oregon at worst can only be tied for the championship of the northern division of the Pacific Coast conference. O. A. C. her nearest opponent, still has a long road trip to make.

It took Oregon three minutes from the tip-off to make the first score. Okerberg, who started throughout, slipped it in. From then on Oregon was never headed.

TENNIS CHAMPIONS CONTINUE TO WIN

Neither Lenglen Nor Wills Have Lost Game in Tournament in Cannes

CANNES, France, Feb. 13.—(By Associated Press.)—Suzanne Lenglen and Helen Wills, after three rounds played in the Carlton tennis tournament both have reached the quarter finals without the loss of a game.

Helen has granted her adversary a few more points than Suzanne, but experts can glean nothing in the way of the comparative chances of the two champions in their forthcoming singles match, set for 11 o'clock Tuesday morning, except that the two greatest women tennis players have styles almost as far apart as the north and south poles.

Miss Lenglen won her match against Miss Mary Cambridge, 6-0, 6-0, and Miss Wills defeated Miss Cosette Stomer Roy by the same score. Suzanne's greatest desire seemed to be not to lose a point, and she played hard and fast against Miss Cambridge, a little English player who is hardly in Lenglen's class. Helen was calm and cool and appeared to relish the severe stroking of Miss Roy. Being desirous of testing the speed of her forehand drive, she indulged in experiments with several new strokes. The French champion never took a chance, capturing the point at the first opportunity. The American girl many times could have ended long rallies, but seemed as if she wanted her opponent to play to her backhand in order to obtain practice against a player schooled by Suzanne.

BEARCATS START SPRING TENNIS

Bill Walsh, Only Letter Man Back, Ivan White, Looks Good for Team

Spring is here, for spring training in tennis at Willamette university has begun. The courts were filled yesterday with ambitious prospects.

Willamette has always held an enviable record in tennis, but is not expected to be as strong this year in the sport as she was last. Emmel and Mickey, first and second man of last year's squad, have graduated. This leaves Bill Welsh as the only letterman trying for the team this year.

Ivan White, who played on the Salem high school team last season is appearing to show most promise for a place on the varsity of all the candidates out.

Just who will be the third man is a puzzle. Those trying for the berth are Nunn, Blatchford, Carter, Litchfield, Butler, Bell and Minto. None of these is considered very promising varsity material, however.

HEAVY STORM IS BATTERING SHIPS

Water flooded high into the beautiful homes of Jesse Lashy, Joseph Schenck, the motion picture magnates; Tom Hundy, noted tennis player, and a number of others at Santa Monica, while south of Venice many other residences were undermined. Some of these homes were on the verge of collapse. Two met death at Santa Monica yesterday and a third man was

WEBFOOTERS FALL UNDER HEAVY FIVES

Salem Webfooters, 19-year-old champions of this city, were defeated in both games played in the YMCA tournament held in Portland Friday and Saturday. The Webfooters had little chance, as teams they met had them out-reached and outwheged, and were bested in age, most of the boys on the opposing teams being past the high school age. For all of their defeats, the Webfooters are the hardest fighting team on the floor. Salem and Portland were matched in the first game of the tournament, Portland winning 22-12. In the second game Friday Longview defeated Eugene 20-18. Eugene led up to the last minute of play. But the Longview boys launched a whirlwind offensive at that time, fighting the Eugene men off their feet. Webfooters and Eugene played off their game Saturday afternoon, as the Eugene team was desirous of going to Corvallis for the Oregon-OAC game. Eugene won, 22-11. Because of the sturdy Webfooters defense, Eugene was forced to make most of her points with long shots.

WALLA WALLA, Wash., Feb. 13.—(By Associated Press.)—Whitman made its claim to the northwest conference basketball title secure tonight by a hair-raising win over the Pacific basketball team on the local floor, 21 to 20. A long basket in the last half minute by Buck of the Missionaries saved the game and gave Whitman a perfect percentage column in the northwest conference. Many shots were made during the evening, but few connected with the hoop. Captain Yenny was out of the game, thus weakening Whitman's offensive considerably.
