

Eugene to Invade Salem with Crack Five for High School Classic

GAME TO START AT 7:30 O'CLOCK

Visitors Said to Be Stronger Than Last Year, Interest Runs High

Salem high school will meet the Eugene high school quintet this evening at 7:30 o'clock. The game will be played on the floor of the Salem high gymnasium.

Eugene is reported to have a stronger team than that of last year, which made the state tournament, only to be defeated in the second round by Franklin high of Portland.

If comparative scores count for anything, Eugene has the edge. Salem was defeated by Corvallis high, while Eugene has whipped Corvallis twice this season.

But Salem and Eugene are old rivals. Salem always plays her strongest game against Eugene. Like the OAC-Oregon games, the Eugene-Salem games pay little attention to the dope nicely hashed for them prematurely.

Coch Huntington announces that Blumund and Duffey at forwards, J. Drager at center, and R. Drager and Olinger at guards will start the fracas for Salem.

WEBFOOTS DEFEAT TRAINING SCHOOL

Game Speeds Up in Final Moments, Score Ending 32 to 7 for Champs

Salem Webfoots defeated the state training school boys last night 32-7. The game was played on the floor of the training school gymnasium.

During the first half, while the Webfoots were accumulating themselves to the peculiar floor, the play was slow, the half ending 10-6 for the Webfoots.

But in the second half the Salem boys found their stride, and galloped down the floor for basket after basket, while the training school five were able to tally but one point, and that on a free throw.

Simpson was high point man for the Webfoots with 10 points, while Schaeffer showed the best floor work. Powell played well for the training school. Following is the lineup: Webfoots Pos. Training Miller R.F. Powell Simpson L.F. Schaeffer De Harport C. Lawson Schaeffer R.G. Fisher Keeney L.G. Bergren

STUDENTS WRITE VERSE

SEATTLE, Feb. 18.—(AP)—University of Washington students will compete with the students of forty nine other Universities in a national prose writing contest conducted by an eastern magazine, Prof. Leo A. Borah, instructor in story writing announced today. The first prize will be \$500.

MOTOR REVENUE LISTED

OLYMPIA, Feb. 18.—(AP)—Operating revenues of certified motor vehicles concerns operating in the state of Washington under certificates issued by the department of public works aggregated \$5,848,085 during the year 1925. It is shown in a statement just completed.

GETTING SKINNER EVERY DAY

Something Must Be Done and Done Right Now—Quick

Tens of thousands of thin, run-down men—yes, and women too—are getting discouraged—are giving up all hope of ever being able to take on flesh and look healthy and strong.

All such people can stop worrying and start to smile and enjoy life right now for McCoy's Cod Liver Oil Compound Tablets which any druggist will tell you all about in putting flesh on hosts of skinny folks every day.

One woman, tired, weak and discouraged, put on 15 pounds in five weeks and now feels fine.

We all know that Cod Liver Oil is full of vitalizing, flesh producing vitamins; but many people can't take it because of its horrible smell and fishy taste and because it often upsets the stomach.

McCoy's Cod Liver Oil Compound Tablets are as easy to take as candy and if any thin person doesn't gain at least 5 pounds in 30 days your druggist is authorized to give your money back—and only 60 cents for 30 tablets.

Ask J. C. Perry, Central Pharmacy, D. J. Fry or any live pharmacist anywhere. Be sure and get McCoy's, the original and genuine, and bear in mind that for thin, sickly kids they are wonderful—a very sickly child—age 9, gained 12 pounds in 7 months.—Adv.

REED DECLARES HIMSELF FIT ON EVE OF ALBANY TITLE MATCH WITH JONES

Postponed Rivalry of Welterweight Stars to Be Settled on Mat

Henry Jones, who has twice defeated Robin Reed, the Aggie wrestling mentor is to have another go with him this evening at the Albany Armory to determine the holder of the Rocky Mountain and Western Welterweight title. Both men are to weigh in at ring-side at 148 pounds, which will make advantages even, in skill and endurance.

Ten days ago they were scheduled for this contest when Robin Reed was threatened with a serious case of blood poisoning and the match had to be postponed. Reed, however, feels that he is at par in physical condition and can carry the victory before the Albany fans.

Henry Jones has had a chance to regain his strength after getting fat since his stay in Oregon. His manager, Virgil Hamlin declared last night that Jones would give Reed one of the hardest battles that he has ever had in his professional career.

Reed and Jones have met for four matches before the Albany fans, this one to be the fifth. Both men have drawn capacity houses because they are the highest men in the welterweight class that the fans have had the privilege of seeing.

Reed has been taking short workouts which gave him his condition, yet imposed no hardship upon him. The last two days he has taken strenuous workouts and is in shape for the meet tonight.

From all indications there is to be a big attendance, judging from the advance sale of tickets and reservations. The Albany Armory has been reserved for the event tonight.

WILL BUILD NEW STORE

CHAMBERS & CHAMBERS BUY FORMER BLIGH LOT

A three story concrete and pressed brick building will be constructed on High street between Chemeketa and Center streets by Chambers & Chambers, local furniture dealers.

The location is across the street from the Powell Motor company and south of the old Judge Burnett property on High street. The property was bought for \$15,000 from the Bligh estate, sale being negotiated by Grabenhorst, realtors. Plans have not been fully prepared, although it is understood the furniture store will occupy all three floors.

Al Krause and Lou Lunsford will move their new Emporium department store into the building now occupied by Chambers & Chambers on Court street between High and Liberty streets. The building will be remodeled as soon as Chambers & Chambers vacate and before the Emporium opens for business.

strike while all efforts in that direction by Gov. Gifford Pinchot had failed. Gov. Pinchot, it is claimed, hoped to erect a presidential boom on publicity gained through strategic settlement of the mine war.

One thing is certain, the president did not act on, and showed that he did not intend to act on, the "request" of the United States senate made after a fight led by Sen. Copeland, that he invite the miners and the operators to the White House for a conference.

But regardless of how the strike was settled, whether the national administration played an important part or not at all in bringing about the agreement, there is a feeling of elation in official Washington over the settlement at this time when congress from both ends of the Capitol was firing on the White House and demanding action.

Credit for the work that led to the writing of the new agreement is given in Philadelphia, where the

CALIFORNIA PREPS TO REPEAT VICTORY IN NATIONAL TRACK MEET

W.H. RICHARDSON, Central Press Photos

California hopes to carry off the honors of the national intercollegiate amateur athletic association meet this year in the same decisive fashion in which it registered a victory in 1925. Capt. "Bud" Houser of University of Southern California team; Bill Richardson, Stanford captain; and "Jim" Barber, University of California captain, are already in training for the tourney.

peace was made, to Richard F. Grant, president of Susquehanna Colliers Co. and vice president of the M. A. Hanna Co., Cleveland.

But he sidesteps the honor with the statement: "I call attention to the great common sense and wisdom of President Coolidge. It is my firm conviction that if he had yielded to the great pressure upon him and had tried to intervene, this contract would not have been signed when it was."

On the other hand, "Exhaustion" is said by some of the best informed men in the federal service to be more responsible for the settlement than any other one thing. Exhaustion on the part of the miners, who had been without work since August 31 and who were suffering from hunger and even lack of coal in the hearts of the anthracite region. Exhaustion on the part of the mine operators, whose properties had been on a non-producing basis for the longest time in the history of the industry.

"The public won the strike," is the statement of others. Undoubtedly the public suffered inconveniences and even hardships through forced use of anthracite substitutes at prices often higher than hard coal brought, but it did prove to the hard coal miners and operators that the country would not freeze without anthracite.

WEST SALEM FIVE DEFEAT LESLIES

West Salem Bears defeated the Leslie M. E.'s yesterday 24-6. The Bears were more experienced and had the advantage of weight, size and age. The game was fast in spots, although the close checking of the West Salem team prevented the local boys from making and sensational attacks.

The game was played in the gymnasium of the Salem YMCA. Following is the lineup: Leslie M. E. Pos. W. Salem W. Linfoot R.F. Beall Baker L.F. Antola S. Linfoot C. Lloyd Moorehouse R.G. Killian French L.G. Clark

FREE EMPLOYMENT PLACE IS DEFINITE

The employment committee of the Y. M. C. A., with power to act, is unanimous in the acceptance of the offer of the W. C. T. U. to locate the free employment office in the rooms of the latter on Ferry streets, on the ground floor, next to the SStatesman office.

The east front door will be used and the secretary will have his quarters near that entrance. The people seeking employment will have free use of the large reading room of the W. C. T. U.

The move will be made as soon as the Y. M. C. A. occupies its new building; perhaps before full occupation. The contractors promise a completed building about April first.

With the new location, and better facilities, it is expected that the jobs found in the next year through this office will run up to 10,000 or more.

The employment office is also

PARRISH TOSSERS FACE WOODBURN

Locals Will Travel to North for Game; Last Clash Feeds Rivalry

Parrish junior high school will meet the Woodburn high school quintet this evening. The game will be played in the Woodburn high school gymnasium.

Parrish beat the Woodburn boys in the game played in Salem. The game was said to be the best seen this season on the Parrish floor. Two five-minute overtime periods had to be played before the game finally went to Parrish 26 to 25.

The Parrish boys have promised to give all they have to bring back the game. The game is expected to end with a close score.

Siegmond and Green at forwards, Andressen at center and Kelly and Keppinger at guards will start for the Parrish team.

BASKETBALL SCORES

U of W 28; Whitman 20

WALLA WALLA, Wash., Feb. 18.—The Washington Huskies defeated the Whitman basketball squad here tonight 28 to 20 in a non-conference game. The visiting team built up a lead in the first half which the Whitman five was unable to overcome in a last half rally. In the second period the Whitman team scored 11 markers to 6 for the Huskies.

The first half ended with the Seattle team on the long end of a 22-9 score. Gross and Schuss of the visitors tied for high scoring honors with 11 each.

HAD LIQUOR, SILVERTON MAN PAYS \$25 IN FINE

SILVERTON, Feb. 18.—Tom Graham was placed under arrest and fined \$25.00 for the possession of liquor, a pint bottle of moonshine having been found in his possession.

DON'T DOSE A CHILD'S COLD

CHILDREN hate to be dosed with medicine. Vicks VapoRub relieves colds, without dosing, in two ways at once. When rubbed over throat and chest at bedtime:—

(1) It is vaporized by the body heat and inhaled right to the inflamed air passages and lungs;

(2) At the same time it acts through the skin like an old-fashioned poultice, "drawing out" the pain, tightness and soreness.

Of course Vicks is just as good for the cold troubles of adults.

KARASICK WINS SILVERTON BOUT

Throws Fred Mortenson Two Falls, Loses Once Under Toe Hold Pressure

SILVERTON, Feb. 18.—Al Karasick, the Russian Hob, threw Fred Mortenson of Hood River here tonight. Karasick took the first fall in 23 minutes, 10 seconds with a headlock, and the third fall in 15 minutes, 10 seconds with a similar hold.

Mortenson took the second fall with a toehold in 10 minutes, 45

seconds. The match was the roughest ever seen here, both men using tactics that invited cautions from the referee.

Throughout the entire match Mortenson showed a lot of respect for Karasick's famous headlock, at times perhaps losing opportunities in his eagerness to defend himself from the Russian's unflinching hold.

However, Mortenson had his opponent worried on several occasions with his torturing toeholds and toward the end Karasick was careful to leave as few openings as possible for further leg punishment. The match was interspersed with rough comedy that kept the house in an uproar.

Mortenson during one exciting tussle grabbed the referee while coming out from the ropes and had Referee Eastman quite worried for a few seconds to the

amusement of the crowd. The 30-minute preliminary bout was taken in two straight falls by young Connelly of Corvallis from young Anderson of Silverton. Anderson was outweighed by pounds and put up an excellent showing against his heavy opponent.

POLICE INVESTIGATE SHOTS FIRED AT MAN

SILVERTON, Feb. 18.—It is reported from Marquam that about 7:30 last night two shots were fired at Ole Jacobson. It is understood that an investigation is underway and that an arrest was made today.
