

Salem Takes Eugene Five Into Camp At Fast Pace, Score 30 to 22

LOCALS SEE CRISIS IN WOODBURN GAME

Seigmund High Point Man, With Duffy and Eberhart Following Close

In the fastest game of the season, Salem took the strong Eugene high school into camp 30 to 22. The southern team was given the edge over the locals by virtue of their victory over the Corvallis five.

In an early season contest Corvallis defeated Salem on the small Corvallis floor.

Eugene outplayed Salem in the first quarter, Wirth and Eberhart taking the heavy work and chalking up the points. In the second quarter Duffey of Salem got the range and rang up three counters.

Wirth threw a basket as the gun ended the half, showing Eugene ahead 13 to 12.

Salem came back fighting in the third quarter, and A. Drager led the chase to Siegmund, who located the hoop for eight points.

Olinier was taken out on personal and Lyons, who took his place, rolled in a long basket.

For Eugene, Towne and Eberhart scored and Colbert threw a foul, and the final period started off with the local team leading 22 to 18.

Salem had everything its own way in the last quarter. The passes were more accurate and the receivers got on the ball but could not find the basket on many short shots.

Siegmund of Salem was high man with 10 points Duffey followed with eight, while Eberhart, with seven markers, starred for the visitors.

On a tip-off collision with Bob Drager, Coleman of Eugene landed on his head. On the next play he asked one of his team mates if he was at a basketball game, and was replaced by Colbert.

By this victory Salem has good comparison with teams throughout the state and if the locals defeat Woodburn at Mt. Angel next Wednesday they have a clear way to the state tournament, March 11 to 13.

BEARCATS TROUCE SEATTLE TOSSERS

Willamette Opens Scoring, Taking and Maintaining Lead Throughout

Willamette university defeated the College of Seattle five here last night, 59-36. Outcome of the game was unexpected as College of Seattle defeated the Bearcats by 35 points in the game played recently at Seattle.

Robertson of Willamette started the scoring with a long field goal. The visitors tallied the first point on a free throw. The game was clearly Willamette's from the start, first half going to the locals 35-19.

Clam Diggers showed clever work in spurts, but were not consistent. Their close formation plays showed they are used to a smaller floor than that of Willamette's.

Hartley for Willamette proved the outstanding player of the game. He was also high point man with 26 points to his credit. Logan, highly advertised forward of the visitors, was high point man for the Seattle team, scoring 18 points. Doyle, center, who is usually good for a large share of baskets, made but one field goal.

Pacific university will clash with Willamette next Wednesday evening at 8 o'clock. The game will be played at the Willamette gymnasium.

Following is the lineup of last night's contest:

Willamette	Seattle

REED WINS TITLE THROWING JONES

Robin Reed headlocked his way to victory last night before a packed Albany armory crowd and gained the welterweight title of the west after two straight defeats and a draw. Jones was headlocked unconscious but able to stagger around on his feet. However, he fell through the ropes and struck his right shoulder upon the floor, this ending the match. Dr. B. R. Wallace, who was a ringside spectator, declared that Jones was out before he fell through the ropes.

Several times Reed almost finished Jones with a long arm scissors but Jones rolled for the ropes. But at the five minute period Reed opened up with an array of headlocks, one after the other, until Jones was confused. Throughout the whole match Reed and Jones carried a splendid struggle with Reed suffering the most breaks, although coming through to victory.

Reed took the first fall in 35 minutes with a Japanese wrist lock and double arm scissors. Jones took the second one with the same hold a few minutes later and Reed came through with the headlock hold in which the Utah man saw the darkness. It took

Tijuana, for years the haven of thrill seeking Americans and the harbor of thousands of devices for extracting money from the gullible, has been ordered closed, following the sensational Peteet "shame suicides" and the charges brought against Mexican police officers and dive keepers. only ten minutes to call the curtain.

Jones suffered an injury to the same arm when he encountered Takaha Saha about two weeks ago. He had not fully recovered the use of the arm, he declared.

From the start of the first fall Reed took the initiative and carried it during the first 20 minutes of wrestling. Then his endurance was taxed and Jones began to carry the battle. During this time he caused Reed considerable punishment. Reed, however, staged a comeback and pinned his man at the end of 26 minutes.

At the beginning of the second fall, which went to Jones with a Japanese wrist lock and a double scissors, pinning Robin to the mat in 38 minutes, the openings were made with caution. Jones was playing for his chance and used it when he worked upon Reed's left wrist.

Throughout the second period Reed suffered most under the attack of Jones.

Reed weighed in at 145 1/2 pounds while Jones tipped the scales at 148 pounds, with his ring clothes weighing one and a half pounds. Reed was in good form and Jones appeared better than formerly. His cheeks did not have the fullness as before.

Two 59 pounders put up a snappy curtain raiser when they battled three two minute rounds with a draw as a result. The second preliminary was between Bob Gilberg and Glen Stewart with Gilberg taking the first fall.

Matt Mathenev, Albany promoter, was the official referee.

A challenge was issued by Cal Herman to meet the winner in a match to be arranged later.

AMERICAN PLAYERS BESTED BY FRENCH

Biggest Tennis Upset in Six Years Takes Place on French Courts

NEW YORK, Feb. 19.—(By Associated Press.)—Sweeping to a triple triumph on the Seventh regiment armory courts, France's brilliant Davis cup team today overwhelmed three leading American players, including William T. Tilden and carried the tri-color into the semi-finals of the national indoor championship in the biggest series of tennis upsets since this country gained international net supremacy six years ago.

Vincent Richards, No. 3 in national ranking, and Francis T. Hunter, former indoor title holder, fell with the national outdoor champion, all three being eliminated in straight sets. Jean Borotra defeated Tilden 13-11, 6-3; Rene La Coste defeated Richards 6-4, 6-2, and Jacques Brugnon eliminated Hunter 6-4, 6-4.

The success of the French players was a reversal of defeats they suffered here last summer in the Davis cup challenge round; and subsequently in the national turf court championships.

The defeat of Tilden, considered by tennis critics as partly due to a lapse in his game since he entered upon a professional stage career, nevertheless was accomplished by Borotra through a brilliant and decisive attack which would have troubled the American star at his best.

"Borotra was unbeatable today and I have no excuse to offer," Tilden said at the finish. "He covered the court with whirlwind speed and Borotra at his best is a great tennis player."
