

# BIGGEST VOTE MAKING DAYS NOW

**Opportunity Is Here Now to Gain Lead--No One Has Count to Boast of**

**Help Your Favorite NOW!**

MORNING STATESMAN READERS WHO WISH TO HELP THEIR FAVORITES IN THE BIG THREE THOUSAND DOLLAR GIFT DISTRIBUTION SHOULD GIVE THEIR SUBSCRIPTIONS TO THEIR FAVORITE NOW, WHILE IT COUNTS FOR THE GREATEST NUMBER OF VOTES. UNLIKE MOST NEWS-PAPER CAMPAIGNS, IN THE STATESMAN'S "EVERYBODY WINS SOMETHING" EVENT, THE VALUE OF A SUBSCRIPTION REDUCES INSTEAD OF INCREASING AS THE CAMPAIGN GOES ALONG.

RIGHT NOW IS THE TIME. THIS BIG VOTE SCHEDULE IS IN EFFECT ONLY UNTIL SATURDAY NIGHT, FEB. 27. IT WILL NEVER BE REPEATED OR EXTENDED.

**Help Your Favorite NOW**

## -:- CAMPAIGN NOTES -:-

More concerted action is being manifested on every hand and as the friends of the various contestants lend their assistance to their favorites, in their endeavor to climb up the vote ladder of success. Each contestant entered seems to have his own circle of friends who are interested in his welfare and are desirous of having their favorite one of the popular winners.

Subscribers and friends are proving more loyal each day and those who really wish to get ahead and are willing to put forth the effort are assured their endeavors will be amply rewarded in votes through the loyal co-operation of their friends. If you show your friends that you are doing your part they will gladly come to your assistance.

Who is there to say that the Morning Statesman is not offering you the opportunity of a lifetime? Where else could you spend your spare time as remunerative? Just think what this proposition offers you—you can make as high as \$1115 in a few short weeks, and your time will not be wasted as every active contestant will be paid for their efforts no matter

what success they may achieve. Read this offer over carefully—consider what it CAN mean to you financially and send in that nomination today.

Subscriptions are to be had—odds of them. When you total up what a few subscriptions brings in votes you know that they figure up mighty fast. However, it takes a little effort, and some there are, who, evidently are not putting forth the effort. Go after them if you want to win.

Numerous rumors have reached the campaign management, that some candidates are spreading false stories as to the results they are achieving in the field, presumably with the express purpose of scaring out the weaker contestants. This method will not be tolerated and this may be taken as fair warning. Bluster may scare out a weaker candidate, but it will cause the big-time candidate to huddle in and hit the ball all the harder.

**GET IN RIGHT NOW—TODAY!** If you have not sent in your nomination, send it in today and participate in one of the greatest "gift-giving campaigns" ever in-

augurated in Salem. Cars, Cash, Washing Machine—FOR YOU.

The office of the campaign department will be open until 8:30 o'clock each evening to issue supplies and give information. Call in this evening and have it all explained to you in detail. Phone 106.

It seems strange that men and women will come to headquarters, nominate themselves by signing the nomination blank, take out a receipt book and then apparently drop out of existence. How can anyone fail to get subscriptions who make an effort at all?

Did you ever have an opportunity before in which you were PAID IN CASH for the effort necessary to win one of the big automobiles? Remember, you are guaranteed pay for every moment of your time spent in vote getting—there can be no losers in this election. Every active candidate is guaranteed a CASH award. If you get started now you can secure your choice of one of the cars without the expenditure of one cent.

Talk about opportunity—there never was such an opportunity offered to live wires as exists right

now in The Morning Statesman's great \$3,000.00 "Everybody Wins Something" election. Candidates who have been slow in starting can easily, with a little honest effort, make a real place for themselves in the vote columns.

An absolutely new candidate can enter the lists today, and with some effort, put himself or herself in the running in a real way. It seems strange that persons who have every earmark of being truly "big-time" who have demonstrated their interest by calling at campaign headquarters, will go home to think it over and then—well, it is a lack of ambition or want—never to let themselves be heard from again. "God helps those who help themselves," says the old saying. It is true today, too. Why 5 years subscriptions will produce 252,000 votes to say nothing of the clubs and nomination votes and opportunity coupons. Then, too, there is the bonus vote this period of 100,000 votes for each \$15.00 subscription, in addition to what you would be credited with the new votes and opportunity coupon votes and the clubs this amount of money would total.

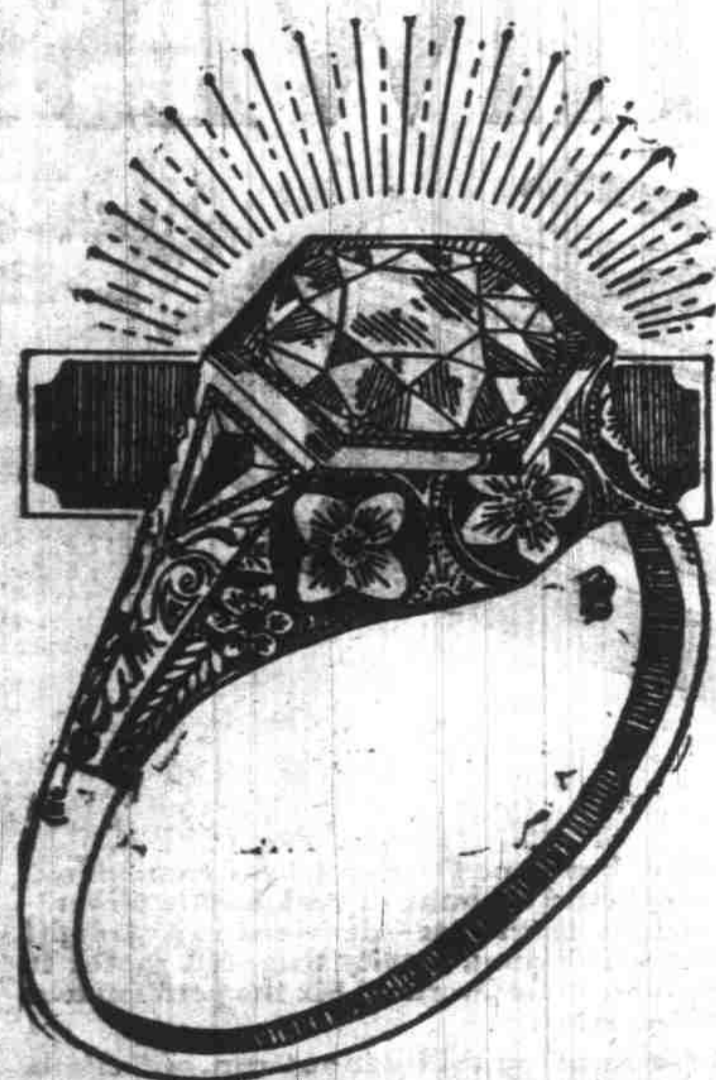

**To Candidates:**

What are you doing to insure yourself of one of the really BIG prizes in the distribution? Are you doing YOUR part—or are you sitting back and hoping your friends will do it all? Every candidate should be doing his or her utmost toward making THEIR prize as big as possible. If your friends see that you are doing YOUR part, they will jump in and help you pile up a winning total. If, however, they see you are unappreciative and are expecting them to do it all they will throw their support elsewhere. It's up to you, candidates! **DO YOUR PART**—your friends will do theirs.

With the vote standings of the various candidates made public, new interest and enthusiasm will be centered on The Statesman's big distribution. Each of you candidates will find that your friends will be taking a more personal interest in your campaign, if they see by your vote standing that you are helping yourself, and are proving yourself worthy of support. **REMEMBER**—your friends watch your standing and will help you accordingly. **LET'S GO!**
