ASTORIA FIVE WINS IN TOURNAMENT OPENER

Puts Baker Into Second Series by 20 to 18 Score, in Fast Game

First Game

In the opening game yesterday between Astoria and Baker, Astoria trimmed the wonder-five by a 20-18 score. The game at first seemed to grow stale, with Astoria leading the half at 17-10. The last half, however, nearly lost Astoria, and only by superior headwork and science were the sailor lads able to check the onrushing easterners. Astoria's shooting proved the downfall of the Baker five, though the Baker offense was excellent.

Alfred Makinen of Astoria, flash forward, proved to be the star of the game, garnering 10 tallies. The Baker boys were slow in getting started. The game was strictly a defensive one, both teams being cautious and not opening up till the mid-point. Both teams had numerous fouls called, but never was the limit of four per man reached.

The following lineup corresponds to the first game and the points garnered by the participants:

Baker	Astoria
8-Candell	5-Askelonen
4-Payne	7-Makinen
4-Duff	10-Juola
8-Hines	10-Long
4-Duff	8-Parky

Albert Makinen was subbed in the third quarter for Askelonen.

Marshfield Nosed Out in Brilliant Contest by 24 to 22 Score

Second Game

McLoughlin, by headwork and wonderful shooting, yesterday nosed out Marshfield by the close score of 24-22. The game at all times was on the go and both teams were fighting to win. McLoughlin led the half by 15-8, and fell back to 22-20 score with the small end in their possession near the end of the fray.

With less than a minute to go, H. Potts, forward for McLoughlin, threw a pretty basket from mid-floor, tying the score 20-20. On the jump off Harker, his teammate, took the ball from a Marshfield man and tossed in the winning field goal just as the gun ended the game. This type of playing is found in books but seldom seen on a floor. The two men winning the game also were high point men with eight each.

Marshfield's game was aggressive but lacked the steadiness of the McLoughlin five, who at no time seemed worried.

Coleman and Strickmater refereed the first two games to perfection, and will officiate alternately through the meet.

The lineup was as follows:

McLoughlin	Marshfield
8-Harker	5-Chapman
8-Potts	5-Norberg
8-Johnson	5-Liljeberg
8-Weir	5-Hill
8-Potts	5-Maginnis

Subs—Marshfield: Johnson (2) for Liljeberg. McLoughlin: McEwen for Harker; Harker for Weir, last quarter.

Best Game of Opening Day Seen When Portlanders Take 25 to 21 Win

Third Game

In the fastest and snappiest game yet put on in the tournament Grant high of Portland last night defeated Medford by a 25-21 score. The first half showed the class of ball put forth by the two teams, and only in the last half was the best team determined.

Medford led the first part of the game, and only after much teamwork and snappy playing did Grant tie the score at 12 points at the half.

In the last half the steadiness and coaching of the better team brought the visitors to their feet. This game was refereed by Coleman of OAC, and took place before a capacity house.

Herriot starred for Medford with 15 counters, while the General's top notcher was Lillie with 12 points. Charlton of Grant received three personals the first half and remained on the bench during the third quarter. EUGENE DEFEATS THE DALLES FIVE

Winners Run Wild in Final Minutes, Take Game by 33 to 16 Score

Fourth Game

Eugene and The Dalles played a fast game last night, won by Eugene 33-16.

The Dalles five worked hard throughout the game, but could not seem to break through to the basket.

The first half ended 13-7, indicating the slow playing by both teams. They opened up in last half and scoring was at random, with Eugene keeping a safe lead. Many substitutions made the game drag a little.

Fouls by both teams were numerous also, though no men were ousted. The style of both sides was entirely offensive. Ebberhart, of Eugene, led the game in points with 12, while Cook of The Dalles led his five with 6. Eugene ran wild in the last canto, garnering 20 points.

Following is the lineup for the game:

Eugene	The Dalles
0-Coleman	0-Haas

TUNNEY-STIBLING MATCH IS IN AIR

Bout May Not Take Place, Warrant Sworn Out for Arrest of Manager

MIAMI, Fla., March 11.—(By Associated Press.)—Despite the action of Billy Gibson in calling off the fight here tomorrow night between Gene Tunney and W. L. (Young) Stibling, Jesse Baugh, the promoter, said tonight that he hoped the bout would be held.

H. Lester Quigg, chief of police in Miami, declared late today he would make Gibson go through with the fight if he could find him. Chief Quigg said he had a warrant for Gibson charging him with passing a worthless check for \$2,540. The warrant was sworn out in West Palm Beach by William Deitch. Tunney declared he would abide by the orders of his manager. Numerous fight fans visited Tunney this afternoon and urged him to go through with the fight, regardless of Gibson. Tunney, however, declined to do anything without Gibson's orders.

DEBS REMAINS SILENT

WILL NOT SEEK PARDON, REPRESENTATIVE DECLARES

WASHINGTON, March 11.—(By Associated Press.)—The unwillingness of Eugene V. Debs to apply personally for a full pardon may cost the socialist leader his hope of being restored to citizenship.

Representative Berger, socialist, Wisconsin, today urged Attorney General Sargent to consider favorably the restoration of Mr. Debs of his civil rights. He presented a similar plea to President Coolidge yesterday on behalf of Debs whose sentence for the violation of the espionage act during the war was commuted in 1921.

While not making a decision, Mr. Sargent indicated Debs would have to apply for a pardon personally, following the usual procedure.

"That is like asking a Methodist to seek a pardon for being a Methodist," replied Berger. "Debs doesn't think he has done anything to be pardoned for."

PORTLAND, Ore., March 11.—(By Associated Press.)—A revival of the old Baker dramatic stock company combined with the Forrest Taylor stock company to present year-round plays in a new theatre to be erected here at a cost of \$400,000, is being planned. It became known here today.

Mayor Baker said he intended to complete his term in office before assuming actual management of the project.
