# Attend the Demonstration OF OPAL Ranges

Use Your \$10 Credit All this Week A Low Price Range of High Class Construction See Our Window Display of Refrigerators None better on the market. Priced exceedingly low.

Come in and see your new range It's Here on Our Floors. One of the Opal Ranges We've arranged to take your old stove as first payment—balance on easy terms

So you can have a new Opal buffet—in white, gray, blue or "Santone" enamel—to fit the color scheme of your kitchen.  
—with French cooking top which heats quicker and holds heat longer. Steaks, chops, hotcakes can be cooked directly on top.  
—with the Pacific Coast firebox, wide and shallow for fuel economy, and better heat distribution. Duplex grates for wood or coal.  
—sturdy construction—high grade materials.

## The Wide and Shallow Firebox Saves Fuel

This special Opal feature allows fire from fuel to spread over more area. It places the heat directly under the stove top, which means more heat from the same amount of fuel, and a quick fire.

## An Unusual Baker

The oven is so designed and placed as to enable large volume of heat to circulate evenly entirely around the oven. This feature accounts for the splendid baking results for which the Opal ranges are well known.

## FREE Absolutely FREE

During the demonstration this week only—we will give you absolutely free a \$10.00 credit on any article in our store with exception of Ranges.
