

COUNTY NEWS BRIEFS

Pratum

Evangelist H. J. Ranton closed a series of meetings here last Sunday evening. During the past few days he has called on a number of folks, getting them acquainted with some very good books and messages for which he is agent.

It is very doubtful if any other place in the state of Oregon the size of Pratum or with even double the population can give a report for Sunday school attendance as was given by the Pratum Sunday schools last Sunday at Middle Grove. At the Hayesville district Sunday school convention the average attendance for both schools for the last quarter was over 200 and had there not been so much sickness here during the past month, the attendance would have been much larger. The Menonite Sunday school reported an average attendance over 130. They also have a very large cradle roll and home department. The Methodist Sunday school had 31 at the convention.

Edna Meyers and W. E. Branch are both suffering from a serious attack of pneumonia.

A short Easter program will be held at the Methodist church Sunday morning.

Quite a number of people from Silverton attended the closing service of the evangelistic meetings here last Sunday night.

Auburn

There will be a special Easter service next Sunday afternoon with a group of young people from the Jason Lee church assisting members and friends of the Auburn Sunday school are invited to be present and help in the service and to encourage the young people. Rev. Polling will bring the Easter message.

The Sunday school convention of the Hayesville Sunday school district, which held an all day session at Middle Grove Sunday, was pronounced the best for many years, both in attendance and interest. A large number of Sunday school teachers were present and were busy taking notes during the address given by Mr. Toozee on the lessons for the coming quarter. There were delegates from every school in the district, and some of the schools attended in a body. Quarterly reports were sent from each of the schools except the Brooks M. E. and Hazel Green. A number of newly organized cradle roll departments were reported. The Fruitland Sunday school carried off both honors for the largest delegation at the convention, and one for the highest average attendance for the quarter.

The schools reported a total enrollment of 1050, with an average attendance of 982. The attendance at the convention was estimated at from 600 to 600. The singing was led by Prof. L. O. Miller and special music was rendered by the Middle Grove orchestra. The entire day's program was complete for both seniors and juniors except a song number from the Pratum M. E. Sunday school. The principal speakers of the day were Dr. Carl Gregg Doney, Fred J. Toozee, Dr. Fred C. Taylor, Rev. G. R. Stover and Rev. Burns, while Mr. Cook led in the devotionals.

The Middle Grove Sunday school is to be congratulated on the able manner in which the special ushers and the ladies made the day pleasant and comfortable for all present, also for the beautiful decorations. The June convention will be held in Fruitland.
