

New Faces to Appear When Salem Senators Face W. O. W. Nine Today

PORTLAND PLAYERS CONSIDERED FAST

Fans Instructed to Phone in Case Weather Looks Like Rain

In the second game of the Greater Portland-Willamette Valley League, the W. O. W. nine of Portland will be seen on the local lot to show the Salem Senators what they can do this afternoon.

In case weather conditions are such as to give rise to doubt whether the game will be played, fans are asked to phone either 2125 or 1341J, where definite information will be given.

Several new faces will be seen on the Oxford diamond today, according to latest announcements of Hiddy Bishop. Burton will catch for Salem, and a new man by the name of Fieskes, who was with fast company last year and comes highly recommended, will probably take the mound.

Prigo Edwards will be out in uniform for the first time this year and says he is in better shape than he was at any time last year. He will be ready for work by next week.

It is being rumored that the W. O. W. club is a weak sister in the league, but President Manning writes that the nine is far from weak, and that last Sunday's game was lost by them through poor luck in the breaks.

Brownie Grease will be the umpire in charge Sunday. Grease comes from Portland and is considered one of the best in the bush league. Laird of Salem will be on the bases. President Manning wrote a letter that he will have a new crew of umpires every Sunday until he gets a good staff, and also states he has at least 50 on the waiting list. They all want to try this league. By the time the teams play around once they will have a good staff.

Bishop says he is going to make some changes in the team and is going to win for the Salem fans.

"I'm doing my best, and want to win, but we must all agree that we had to build a whole new club this year, having Edwards on crutches at the start and not knowing when he was going to be in shape for duty, leaving only Barham and Proctor of last year's club to build around. I am not making excuses, and I feel I have a club that will win. I will admit that this league is faster than last year's, and if I have to get more players, I will do my best to put a winner in the field for the Salem fans. I appreciate the way the fans contributed to the ball club this year, and I will have them all pleased with the Senators before long.

"Remember, whenever weather conditions look doubtful, call 2125 or 1341J, and you will learn whether the game has been called off or not."

KEG SEIZED, CAR TEST CASE UP FOR ARGUMENT

permitted to make its offer of proof that the keg of whiskey found in Deford's car was the identical keg of liquor taken from the defendant at the time of his arrest. This offer was rejected by the court on the ground that the evidence was incompetent, irrelevant and immaterial and a violation of the defendant's constitutional rights.

A like offer of proof by H. H. Hogan, another officer, was refused pursuant to the same objection interposed in the case of the former witness. The court thereupon directed a verdict favorable to the defendant, which was signed by the foreman of the jury called to hear the case. The state's brief was filed in the state supreme court here Saturday.

APPEAL IS SAID FUTILE

JUDGE LEAVITT SAYS KLAMATH DECISION CORRECT

KLAMATH FALLS, April 17.—(A.P.)—An appeal to a higher court will result in only a substantiation of his findings Judge A. L. Leavitt told members of the Klamath county court this afternoon, when asked to appear before them for a discussion of recent habeas corpus decision which freed Indians on the Klamath reservation from state and county jurisdiction.

For their information, Judge Leavitt advised members of the county court that decision similar to his had been rendered by the state supreme court in Montana last January.

With freedom evidently palling upon them, redskins in the reservation metropolis, Chiloquin, started off the evening in an even quieter manner than usual, no sign of any unusual disturbance visible, according to long distance telephone reports.

DR. W. B. CALDWELL AT THE AGE OF 83

Constipation! How to Keep Bowels Regular

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated men, women, children, and particularly old folks, had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all headaches, biliousness, indigestion and stomach misery, he did not believe that a sickening "purge" or "physic" was necessary. In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to establish natural bowel "regularity" even for those chronically constipated. Dr. Caldwell's

Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens, or upsets the system. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine and just see for yourself.
