**Anti-Flirting Committee** Named by Island Barbers

HONOLULU-Fear that the aluring smiles and soft words of Japanese women barbers would lure too many customers away from the shops run by the opposite sex has resulted in the appointment of an anti-flirting committee by the Japanese Barbers Association.

One barber from each of the wenty-four districts in the city was selected to act on the committee which will watch the feminine shops in an effort to put to an end tonsorial flirtations. The association has issued a decree forbidding flirting but no explanation has been made as to how the ban will be enforced.
