

# BUSICK'S

STANDARDIZED CASH STORES

## Perhaps—

Some people delay in starting trading at this store because the store always appears to be so busy. But really you get quicker service here than in the ordinary store and the foods you buy are a little bit fresher here because there is always a continuous moving of foods. Then there is our free delivery service to all parts of the city—and in addition to this service we have books of tickets that are more convenient than a charge account. Ask our salesman about these tickets. Phone 455 and we will send you a book of these tickets. They're \$20.00 per book, safe and convenient.
