

DOUBLE BILL NOW ON AT THE HEILIG

Harry Carey and Charlie Chaplin Are Starred in Great Two-Line Show

A real feature double bill is offered by the Heilig theater today with Harry Carey in "Driftin' Thru," and Charlie Chaplin in "A Dog's Life."

With a picture like "Driftin' Thru" it is not difficult to understand why Harry Carey is the most beloved two-gun hero of the silver screen. At the Oregon theater yesterday, where this famous cowboy opened in the first of a series of special productions which he is to make for Pathe, Carey revealed again that it is possible to blend rifle-rare action with an appealing love story, a generous amount of humor, a large quantity of humaneness and sincere, intelligent characterization and plot development. As a result, the most blasphemous of the so-called western drama must yield to the genuineness and intelligence of this latest Carey vehicle.

Many of the animal actors in Charlie Chaplin's comedies are given pensions after their heyday on the screen with the noted comedian.

If you ever visit the Chaplin studio in Hollywood you will find around the entrance a mongrel pup named Bill, who leads "a dog's life" from day to day. Bill, who is assistant gatekeeper, rose almost overnight to cinematic fame and then his stock took a sudden slump when Charlie's productions no longer required a thoroughbred mutt.

KIMBER RESIGNS FOR NEW DUTIES

Will Become Pastor of Dallas Presbyterian Church on May 18

Ben J. Kimber has announced his resignation as executive secretary of the Marion County YMCA to become pastor of the Dallas Presbyterian church. Mr. Kimber is completing his second year with

the County "Y" with a report that speaks for itself.

The high spots of the annual report just made are: 28 boys' clubs, Comrade, Hi Y, Friendly Indian and Pioneer, with a total membership of 507 boys. Some 50 men have volunteered during the year to help in these club activities. Some 20 conferences, rallies and "pow wows" have been held during the past year with a total attendance of more than 800 boys.

The thrift program was conducted in 37 city and rural schools.

More than 200 addresses have been made in schools, churches and communities through the efforts of the County "Y." Eighteen educational trips and hikes have been held, and 55 religious meetings conducted. The one joint camp last summer, in conjunction with the City YMCA, served 55 boys, about half of whom were from the county. More than 600 club meetings have been held with more than 500 Bible study hours in which the boys studied the application of the Bible to their lives.

Community singing, father and son banquets, personal interviews, charting boys for character and many other activities have been included, all of which go to increase wisdom, stature, and belief in God. The County "Y" has indeed gone far in doing the work in its particular field and has done much to create, maintain and extend throughout school and community a high standard of Christian character.

Mr. Kimber will be installed in the pulpit of the Dallas Presbyterian church, Wednesday evening, May 18. The City YMCA with C. A. Kells and John Rudd of the state association will continue the work of the County "Y" until a new secretary is found.

Mr. Kimber takes to his new duties the highest respect of those whom he has served.

HAVANA—Associated Press—Cuba has assumed a place of increased importance this year in the American national pastime, with twenty-seven of its athletes on the rosters of major and minor league baseball clubs.

Three of the players are listed with major league teams: Adolfo Luque, veteran pitching star of the Cincinnati Reds; Mike Gonzales, catcher of the Chicago Nationals, and Ramon Hernandez, Boston Red Sox infielder.

The name of Gonzales heads the Cuban contingent, appearing on the rosters of four teams. In addition to Mike are Ramon and Eusebio, infielders, playing with Waco and San Antonio, respectively, in the Texas League, and Oscar, also an infielder, with Greenville in South Atlantic league. Ramon and Eusebio are brothers.

Faulty Grip and Idleness Reason for no "Iron Men"

NEW YORK—Associated Press—Joe McGinnity, who claims to have thrown more curve balls than any other two pitchers in organized baseball, says that "iron men" have passed out of the major leagues because most modern hurlers grasp the pellet improperly and fail to take the mound of vote often.

McGinnity, whose pitching career extended over a period of 22

years, maintains that "curve pitching, properly done, is no greater strain on the arm than ast ball pitching."

"After pitching a game, the young fellows of today lay off for a week," he continued. "I don't think I ever went a season in the majors without pitching at least 50 games."

McGinnity was first called the "iron man" when he pitched six games in seven days and won them all. He has signed this season as a pitching coach with the Brooklyn Nationals.

BRIDGE CEREMONY DRAWS DELEGATION

Governors Will Exchange Greetings at Highway Link Opening

Members of the state board of control and Oregon state highway commission will leave here early today for Del Norte county, Cal., where they will attend the ceremonies attending the dedication of a new bridge spanning the Klamath river. The ceremonies will be held Monday afternoon.

Telegrams received here Saturday indicated that Governor Richardson of California and members of the state highway commission of that state also would attend the celebration. The Oregon delegation will spend Sunday night at Grants Pass, where they will be joined on the trip by a large number of Josephine county citizens.

The return trip to Salem will be made by way of Gold Beach, Curry county, Marshfield and Roseburg.

The new bridge is an important link in the Redwoods highway between Grants Pass and Crescent City, Cal.

Governor Pierce of Oregon and Governor Richardson of California will exchange personal greetings at the dedication ceremonies for the first time since they assumed their respective offices nearly four years ago.

At Shipley's the ladies of Salem have satisfied themselves that they can get the finest spring and summer frocks, coats and dresses ever shown in this city.
