'Air Bumpitis" Is Malady of Pilots Flying Ranges

MATTRESSES RENOVATED BY THE Capitol City Bedding Co., 1190 North Capitol. Called for and delivered. All work guaranteed. Phone 19. f19tf CHEYENNE, Wyo .- (By Asse ciated Press.)—Traveling across the continent in a mail airplane is not as comfortable as riding the "soft cushions" of a railroad car, MOUNTAIN BALM COUGH REMEDY -Phone 517-W. several pilots of the air mail service have learned.

A new malady has visited th pilots who traverse the Rocky mountains in daily flights—"air bumpitis." Its effects are bruise and sprains of the back and ofter the limbs.

Recently two pilots, after flying through a heavy wind and "rough weather" over the continently di-vide, were obliged to go to bed for a rest, / The bumps, produced by air currents from dissimilar terrain, probably are worse over the Rocky mountains than in any other section of the transcontine tal mail route.

Winter Radio Reception Most Erratic as Summe

CHICAGO, Ill .- (By Associated Press.)-The period of dinter reception, touted in the past as a paradise for long distance seek-ers, has reversed itself. The season which closed with the official advent of spring, was marked by listening hours as erratic as those in the summer.

Numerous theories have b dvanced, one of the latest attributing reception difficulties to sun spots. However, such things as the aurora borealis, unstable barometric conditions, quickly rising and falking temperatures and storms, all have taken a certain part in the discussion

Scientists explain sun spots as due to whirling storms upon the sun. These storms are believed to make themselves felt upon the earth in the form of "magne disturbances," which show the effect through influence upon
