## WILLAMETTE WINS INTERSTATE MATCH

### Ivan White, Freshman Takes Singles Conference Championship

Willamette university's tennis team won the first annual tennis tournament of the newly organized northwest conference. The tournament was held at Walla Walla, home of Whitman university. Every college in the conference was represented.

Ivan White, freshman, won the singles championship of the conference. He is a graduate of Salem high school, where he was first man on last year's team. He played as first man in the tournament as Walsh, captain of the team and regular first man, was unable to play because of a foot injury he had received.

White, after surviving the first round of play, when he was pitted against first man of the College of Puget Sound team, won the championship by defeating Penrose of Whitman Saturday morning. White won three sets in succession, 7-5, 6-4, 6-3.

In the doubles finals Saturday afternoon, White and Minto of

Willamette defeated Penrose and Ahearn of Whitman, taking 3 out of 5 sets. The score was 6-4, 6-1, 3-6, 4-3, 6-2.

Walsh accompanied the team to Walla Walla. Minto is also a Salem boy, having graduated in the same class as White, and having played on the high school team at the same time.

## WASHINGTON WINS WEST CONFERENCE

SEATTLE, May 22.—(By Associated Press.)—The University of Washington won the championship of the western division of the Pacific coast intercollegiate conference here today when it defeated Oregon Agricultural college 9 to 2. With the score 3 to 2 the Hurky's in the sixth scored six runs.

U OF O TEAM WINS  
EUGENE, Ore., May 22.—(By Associated Press.)—The University of Oregon baseball team took revenge on the St. John's Bears of Portland here this afternoon for a defeat earlier in the season by handing them a 16 to 0 drubbing.

## Never Pet a Head-ache

Cloths on the head and all that sort of thing are just compromises on a relief that is only temporary. The CAUSE must be removed if there is ever to be any real PERMANENT relief.

Our glasses banish such aches permanently by correcting the CAUSE—eye strain. Eye strain is the beginning of nine headaches in every ten.
