In Patent—Gun Metal Trim

This distinctive Spring pump is designed on modified Colonial lines. In patent with gun metal calf trim and covered Spanish heel. Very attractive, an excellent value at the low price of

\$5.90

SPECIAL NOTE:—

Our remodeling is going on just as swiftly as thorough work can, but we are truly sorry that we must ask our patrons to put up with the inconvenience necessitated by our trying to give Salem a bigger and better store.

Our lower prices, however, compensate one who is willing to "wade in" to "wade out" with a real bargain.

Our grocer friends have provided substantial boxes, our carpenters have erected makeshift fitting rooms and we manage to keep everything including the floors reasonably clean. Notwithstanding, there are times when a little plaster dust will mar one's footwear and we have arranged with a local shoe shiner to care for such cases. The present day styles, however have well protected us on the dress situation.

Your Compensation

All of our silk dresses composed of crepes, satin face crepes, printed crepes in fact every silk dress in stock at a special reduced price.

Dress and novelty hats including flares and coats straight of line. Some have the bell sleeves while others boast the new pouch sleeve elaborately embroidered with metallic and silken braids. All at an extra low price.
