ROMANCE DISCUSSED BY FAMOUS SOPRANO

CHICAGO, June 10.—(By Associated Press)—Miss Claire Dux, internationally known lyric soprano, whose engagement to Charles H. Swift, vice president of Swift and Company, was announced last night, today characterized their romance as "love at first sight."

She met Mr. Swift when he appeared here for an opera engagement and says she was attracted to him by his interest in music. Her professional career, she told reporters, will end with her marriage in the late summer or early fall, but she added hopefully that she did not think her fiancé's ultimatum would prevent her from appearing in an occasional concert for charity.

"I'll be able to sing so much better when I'm married," she said, "every great singer marries, nearly every great singer you can name has combined matrimony with her art and has sung the better for it. Singers are naturally domestic."

The couple plan to go to Cape Cod, where the Swifts formerly owned a home, for their honeymoon. Miss Dux said that the wedding will be only a family affair, then added, "an afterthought that it might not be so small either as there were fifty members of the Swift family alone."

WORK IS HANGED IN EFFIGY BY FARMERS

Homesteaders Voice Dissatisfaction With Irrigation Settlements

PHOENIX, Ariz., June 10.—(By Associated Press)—Reports here today told of the hanging in effigy of Dr. Hubert Work, secretary of the interior, last night by homesteaders in the Paradise and Deer Valleys, a part of the Verde river irrigation and power district.

A card attached to the effigy bore the sign: "Dr. Work hanged for hanging us up. Paradise-Verde Homesteaders, 500 strong."

Thirty feet away a sign board carried the words: "God Bless Our Loyal Friend, Senator Cameron."

The figure still was dangling from the gibbet late tonight.

Senator Ralph Cameron, republican of Arizona, at the instance of the settlers in this region introduced in the senate a bill designed to clear the title of the irrigated districts to rights of way for its reservoirs and canals.

Permits for financing reclamation of lands in this section were recently cancelled by Dr. Work.
