Marshall Neilan, producer-director, concedes that colors the emblem of our country." in pictures will be used frequently, but does not think they will take the place of black or white.

Cecil DeMille, believing color photography permanent, feels it has a long way to go before perfection but expects it to be in universal use within a decade.

We will have to have colors some day but it is a big job were just nine boys for the game. and will take some time for accomplishment," said Herbert "The great development cannot perform real service until the colors are so natural we are not consciously aware of them.'

Sydney Franklin, one of the pioneering directors in coloring, declared it fills the bill perfectly now when used to em- of initiation. They named the clubphasize outstanding parts of the picture.

"I think color photography marvelous for some scenes," said D. W. Griffith. "It produces effects that can be achieved in no other way. I doubt, however, its value when used throughout the picture."

COUNTRY CELEBRATES BIRTHDAY OF OLD GLORY (Continued from page 1)

in every war in which she particiwhite stripes, while others had six red stripes and seven white stripes inasmuch as the number of each had not been specified 36 stars, other than there must be a total of 13 stripes, alternating red and

stripes, eight red and seven white, congress having ordered in 1795 the addition of a new star and 1791, and Kentucky in 1792.

The troubles of congress were not over, however, for in 1796 Tennessee was admitted, in 1802, Ohio foined, Louisiana in 1812, Indiana in 1816, each wanting representation in the flag. It soon became apparent that if the policy from the upper corner next to the of adding both a star and a stripe for each new state were to be con-linued indefinitely the flag would ssume very awkward proportions, so by way of compromise it was decided to add a new star for each state but to return to the 13 one of the most complete in the stripes representing the 13 origin- state.
