Upsetting all the dope, the tall-end Legion team took the Papermakers to a tune of 4-2 in a Twilight league game last night. The victory brought the Legion up into a tie for third place.

Starting fast in the first inning Gabrielson, Bishop and Gibson singled in rapid succession and scored three runs before a disorganized Paper Co. could recover. The side was retired on a double play when Lalson grounded to second and Edwards was caught off the bag.

The Papermakers were unable to register in the first frame but in the second, Virstez doubled to center and came in on Blankenships long fly to deep left. Gibson's throw from that garden not quite catching him at the plate.

The Legionnaires also scored in the second. Liphart, singing to right, stole his way to third and came in on Bishop's clout to the same patch. This ended the counting for the soldiers, who devoted their effort to holding down the Papermakers.

In the third the papermill boys started a rally which filled the bases with one out, but Hume tightened after one man had scored and struck out the next two batters. The Papermakers got a man on second with one down in the last inning but were unable to score, and the game ended when Gould popped to Gabrielson.

It was a much better organized team of Legionnaires that beat the Papermakers last night than they played their previous contests and the soldiers are hopped up to go after the championship which they have held for five straight years.
