Pairings for Next Week's Event Announced by Brazier C. Small

Tom Livesley, playing one of his best games, came through as a medalist in one of the stiffest competition rounds ever played at the Illihee country club on Sunday.

The course was in excellent shape and some exceedingly low scores were turned in for the president's cup given by J. H. A pair of imported golf hosiery given by the C. P. Bishop store here will be awarded to the runner-up.

Brazier C. Small, in charge of the tournament, announced the following pairing to be played here next Sunday night: Tom Livesley, P. D. Quinsbury; Daryl Proctor, Dan J. Fry; T. C. Hoover, Ralph A. Jackson; J. J. Elliott, J. B. Young; Carl Gabrielson, Luke Gill; O. F. Franklin, Don V. Sibby; Breyman Boese, George Brown; H. H. Grady, Curtie Cross; Onis Olson, bye; F. W. PAPERMEN DEFEAT VALLEY BY 14 TO 3

Matthes Has Off Day, Legion Drops Postponed Game to KC Nine

U. S. Bank W. L. Pct. Papermakers 4 2 .567 K. of C. 3 2 .667 Grotto 3 2 .369 Legion 1 3 .259 Valley Motor 1 4 .200

Starting fast in the opening innings, the Paper company completely swamped the Valley Motor nine, 14-3, in the twilight league at Oxford park last night. The Papermakers caught Pitcher Matthes on an off day and banded him for six hits and nine runs in two innings. The next batter, in the first frame Landbeck, Blankenship and Versteeg scored on three singles and a walk. The side was retired when Matthes tightened and whiffed two in a row. The machinists counted once in this canto when Race reached base on a slider's choice and came home on Proctor's smash to deep left.

In the second the Papermakers ran wild again. With one away, Witteraft singled, Landbeck hit for two bases. The next batter walked, forcing in a run, and another error scored two and put Blankenship on third. He scored on Chapman's fly to center. Gould singled to right, clearing the bases and came in when Raney rattled the right field boards. A strike-out finished the inning and the weary machinists came in for a try.

They were unable to register, and with Fleakes taking up the mound work the Papermakers gathered four more. A double and two singles filled the bases with one gone and scored Versteeg, Chapman cleared the bases with a long drive to right center, but was thrown out trying to stretch the hit to a triple.

Neither side counted again until the fifth, when Simpkins singled, stole second and came home on an overdrive. The machinists attempted a rally and Regale singled went to second on an overdrive, and came home on Race's long sacrifice to deep center. The rally failed when Watry flew out to Landbeck and Witteraft whiffed Proctor.

The Papermakers bow in second place, gained a full game on the idle Bankers, while the Valley Motor strengthened its hold on the cellar position. The lineup: Papermakers Valley Motor Landbeck cf Regale ss Simpkins 2b Race cf Blankenship 1f Welby 1b Versteeg c Proctor 3b Chapman 1f Fleakes 3c Gould 3b Johnson rf Raney 1b Brown 2b Oudean ss Mison lf Witteraft p Matthes p Stripling rf T. Fleakes p Umpire—Laird.

K. C.'s Best Legion In the postponed contest between the K. of C. and the Legion, on the high school field, the Legionnaires came out on the doughnut end of a 4-0 score.

The soldiers were forced to substitute several men as all of their players could not appear, and were seriously handicapped. No more games will be played on the school diamond, as it is in bad shape, and hereafter the postponed contests will be battled at Oxford park on open dates, or held until the end of the season.

Young & Wells and the Pool Will Be in the Game Some Time Yet

The shipment of black cherries in cold storage from Salem goes right on, and will go right on, by Young & Wells and the cherry growers' pool, as long as there are any acceptable shipping cherries offered.

Denny & Co. have quit taking black cherries at Salem, excepting from those with whom they have contracts, and these they are shipping to McMinnville and Sheridan, to be put into cars going out from those points. They trucked some to those places yesterday. They shipped 27 cars from Salem, and have so far shipped 16 cars from Eugene, McMinnville, Sheridan.

Staying in the Game Young & Wells shipped four cars from Salem yesterday. They have closed their place at the King plant, but they will keep their plant open at the Salem end of the Polk county bridge as long as any acceptable cherries for shipment are offered, and Mr. Wells says they will pay all they are worth. Having done very well with the early shipments, he says they will run some risk on the balance of the crop, in order to help out the growers as much as they dare do; or a little more. They got some very fine cherries yesterday, and some that were badly craked. But they are taking all that will get by, and even running a risk on some getting by.
