Young Fresno Hurler Pitches Two Innings, Fans Five of Seven Men Up

Portland 10; Oaks 4
OAKLAND, June 22.—(By Associated Press.)—The Beavers celebrated their first appearance here today by hammering Fresno for 15 hits and a 10 to 4 victory. Most of the Beavers allowed seven hits, but was never in danger. Howard Craghead, Fresno high school pitcher, pitched the last two innings for the Oaks and stole the honors of the day by not allowing a hit and by fanning five of the seven men who faced him. The first batter to confront him walked and the next three fanned. In the ninth inning, the batter was out on an easy pop fly and the next two fanned. Craghead had recently established a streak record for California "sandlot" games.

SENATORS TO FACE TIMBERWOLF NINE

Two Barrelled Card to Be Played With Kelo, Competition Is Keen

The Kelo Timberwolves, champions of the Timber league last year, will form the opposition for the Salem Senators today and tomorrow at Kelo. The Kelo team is not first in the Timber league standing this year, but have a strong combination that is expected to give the Senators some of the toughest competition of the year.
 Kelo's displacement from the top of the standings is chiefly due to the invincible hurling of Vean Gregg of Hoquiam, former crust and major league star.
 A return engagement between the two July 1. Other games with strong teams are scheduled here June 30 and throughout the state will be scheduled, providing the local fans signify their desire by turning out for these games.
"Buddy" Bishop, manager, says he does not want to leave money on the season, but if he can be assured of an even break, he will be more than satisfied.
 The Portland Beavers of the coast league will be seen in action at the local park next month, provided the games with Kelo go well. Manager Bishop also will take the Senators to Portland for games, a new departure this year. The local club is expected to be a good drawing card there because of the high brand of ball it has been playing.
 Although the local manager is anxious to win the two games at Kelo, he is not anxious to weaken his team for the game next week with the Portland Cyclops. The Cyclops have been on top in the percentage since the first of the season by reason of their strong start, but if the locals win, they will take the first position.
 Rivalry between these two teams is almost as bitter as that between Salem and Albany. Salem's lead will be half a game, provided they win, as the Cyclops have a postponed game with Palmers to play off.
