

# Senators Lost Third Game To Kelso Nine, Will Get Revenge Today

## LOCALS DEFEATED BY SCORE OF 9-1

### Nine Fence Busters Face Bishop's Men, Out to Turn Tide in Final

By BOB BISHOP  
 Playing against a lineup of nine fence busters the Salem Senators dropped their third straight to Kelso, 9 to 1, at Oxford park last night. The Timber Wolves smashed three Salem hurlers for twelve bingles including a four base clout by Nixon and two baggers by Commy, Nixon and Schoonover. The Senators' only extra base hit was a double by Keene which resulted in Salem's lone tally.

Fresh from their 12 to 5 win over the local club last week at Kelso, the Wolves started with a bang in the first. This hit and run inning gleaned five hits off Russel. Prentiss took a fast one in the back and forced in one run, four others crossing on base hits.

The second frame was quiet for both sides, but Kelso put across two in the third on two singles and a double, one not counting as Nixon was thrown out trying to stretch his smash to left into a triple.

In the Kelso sixth, Friel walked and Nixon clouted one of Keene's fast balls over the deep left field wall, scoring Friel ahead of him. Worth reached second on an error.

ror, was sacrificed to third and scored on an overthrow.

In the seventh, which was a blank for Kelso, Keene doubled and scored the Senators' run on Baird's single to right. This ended the scoring for the contest.

Commy, shortstop for the Wolves, sprained his ankle badly while sliding back into first. Jones took short and Friel went into Jones' right garden.

Tonight the same clubs will play again at Oxford park, and a much better contest, from the fans' viewpoint, will probably result.

The box score of last night's game:

### Acid Stomach

"Phillips Milk of Magnesia"  
Better than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent bottles, any drugstore.—Adv.

No sprinter ever succeeded without ALL three. There have been great starters; runners who moved with perfect rhythm and no waste energy; and men who finished with irresistible force. But the CHAMPION has had ALL THREE.

Charley Paddock

says a champion must have all three **start-stride-finish**

Start  
 Charley Paddock, the world's "fastest human" getting away simultaneously with the crack of the pistol. Paddock is the present holder of 37 out of a possible 40 world's sprint records and the only sprinter to run 100 yards in 9.5 seconds.

These same essentials in perfect co-ordination—quick start, the full stride of power, and force sustained to the very end [finish]—are necessary to good gasoline. Associated, through its distinctive range of boiling points, insures this kind of a performance: no sputter when you step on the starter, no miss when you give her the gas, and always a smooth supply of adequate power from start to finish. That's why Associated is Champion. Associated is always associated with "more miles to the gallon."
