Playing in the final round of the Twilight league schedule the Grotto took a close contest from the Papermakers last night 4-3. The Grotto found Lauderback for five bingles, including a home run by Paulson in the second. Dalley, who was relieved by Ellis with two out in the fifth, let the paper company boys down with two hits, one a double by Verstey that started the scoring for the tissue manufacturers.

The Grotto got off to a good lead in the first inning, three hits and two errors scoring three runs. Paulson singling to right advanced to third on Acton's hit to short that hit a rock and bounced to one side. Adolph got first on an error, and Wilkerson banged one into the clouds that Lauderback finally got under. White singled to the right field boards scoring two, and Adolph came in from third when the catcher let a fast pitch slip through. The next two men struck out.

Although six Papermakers went to bat in their half of the first no one managed to knock the rubber. The Paper Co. seemed to have little trouble getting on base, 26 men going to bat. Several times they had Dalley in a bad hole but each time he pulled through. In the second two men got on with but one down, but the Grotto hurler tightened and struck out the next two batters. In the third it was the same story, and in the fourth the bases were loaded with Papermakers and only one away. The runner on third was caught off the bag, and Simkins up next fied out to left field.

The Grotto got their fourth score in the second when Paulson came up with two away and lifted a fast ball over the right field wall, just clearing the fence, a homer by inches.

Simkins scored the first run for the Paper Co. in the third. Reaching first on an error he stole second and third, and crossed on Verstey's double to right center. Neither side scored again until the fifth when the Papermakers started a rally that nearly tied the score.

With the Grotto safely blanked in this final frame the Paper Co. came to bat and after Chapman struck out Verstey walked and Blankenship took a curve ball on his leg. Verstey stole second and third scoring on Gould's single to right. Blankenship bargued his way to third and came in on a wild pitch, Gould advancing taking third.

The Grotto jerked Dalley in favor of Ellis at this point and the ex-high school player struck

out the first man to face him. Taking a desperate lead off third and with the count two and three on Raney, Gould attempted to steal home, but Catcher Watkins made a wild stab with the ball and caught the runner off the rubber by inches ending the game. Both teams have one more game to play on the regular schedule and at least one postponed contest apiece. On the regular Twilight league schedule only four games remain, and these will decide the championship. The Grotto and Paper Co. go into a tie for first by the game last night, and any of the other teams are within striking distance of the pennant.

ARGUE BAKER PROJECT MATTER TO BE PLACED BEFORE ATTORNEY GENERAL

PORTLAND, July 7.—(By Associated Press)—A special dispatch to the Morning Oregonian from Washington tonight said in part:
Arguments of western reclama-

tion advocates that Secretary of the Interior Work has no right to delay the use of approximately \$500,000 available for preliminary work on the Baker irrigation project in Oregon, will be laid before W. J. Donovan, assistant to the attorney general, tomorrow by Senator McNary and Representative Sinnott of Oregon. They were prevented from conferring with Attorney General Sargent over the matter today by his absence from the city. Both the Oregonians declared today that they would point out to Donovan a serious discrepancy in the ruling of the department of justice upholding Work's contention that he did not have to build the Baker project until he deemed it "feasible."

That was a red-letter day for me!

THE day I discovered the tidy red tin was a red-letter day for me. Up until that time, I was fairly well satisfied with my smoking tobacco. At the suggestion of a friend, I tried a pipe-load of his Prince Albert. More to please him than for any other reason.

That settled it. I bought a tidy red tin of P. A. right then and there. That was a good many years ago, but P. A. is still ministering to my smoke-taste, repeating my early experience many times a day. P. A. is so cool and sweet and fragrant, you just never tire of it.

Little did I realize then what a big favor he was doing me. I'll never forget that experience. Here I was, a seasoned smoker (as I thought), learning something new about tobacco. Why, that very first taste won me. Still, I wasn't hasty. I tried another load to be certain.

No matter how hard you hit it up, P. A. never backfires. It is uniformly mild and mellow. Never bothers your throat or tongue. It is so genuinely friendly that you just go to it from morning to midnight. Cool contentment in every perfect puff. Get some P. A. today.
