The single ring service was used, with Rev. G. N. Thompson, father of the bride, officiating. The ceremony was assisted by Rev. G. L. Lovell and Rev. F. B. Culver, all of the Evangelical denomination. The bride's only attendant was Miss Gladys Bewley, the maid of honor, while Newton Schmalie served as best man.

An improvised altar of baskets of pink and white summer flowers was arranged before a window, gladioli, larkspur, snapdragons, sweet peas, and Shasta daisies being used in profusion.

Mountain Camp of Graz

Club at Mehama Described by Visitor

The Graz club camp site near Mehama, where the girls are spending the week, is one of the prettiest camp grounds ever chosen for any Y. W. C. A. outing. The camp is situated on the south fork of the Santiam river among a grove of spruce, hemlock, and Oregon pine trees, on the opposite side of the river from Taylor's camp ground.

The club made up of business girls of Salem, has chosen Santiam as the permanent name for their camp. This choice is peculiarly appropriate for Sant, the first four letters, is at once suggestive of the beautiful river upon which the camp is situated. The next letter "a" is used in honor of Mr. Joseph Albert, who so kindly provided the land. The Lions club, who presented the girls with four hundred dollars, for equipment, raised by an old fiddler's contest, is honored the following letter "l," the "y" standing for the Y. W. C. A. which this group of girls represents.

Under Miss Marion Wyman's able supervision camp life is carried on in the most interesting manner. The tents are arranged in a semi-circle, each joined to the other by artistic paths. A regular daily schedule is carried out beginning with an early dip in the river before breakfast, the latter being prepared in the meantime by the K. P.'s each girl having her share in K. P. duty.

Recreation and rest periods are on the daily schedule also. One of the main features of the 10 day outing will be a three day hike to House Mountain rock. Saturday evening will be spent in enjoying clever stunts by the different groups of girls, while on Sunday afternoon the camp will be formally dedicated.

Miss Ruth Hazelton was a guest at Graz camp all day Monday. Methodists of Oregon held reunion at Champoeig. Over one hundred Methodists of Salem attended the meeting of the Methodists of the state of Oregon at Champoeig Monday, July 5.

In the morning a program given by the representatives from Portland was enjoyed. A picnic lunch followed. The afternoon was spent in games and sports.

A circle of friends of Miss Rae Peterson of Astoria, will be interested to learn of her marriage to Dr. Harold Dedman of Portland, which was solemnized at Rose City Park Methodist church in Portland last Sunday morning at 9 o'clock. Mrs. Dedman has been teaching in the English department of the Salem High school for the past two years. The only attendants were Dr. and Mrs. Meredith Beaver (Della Deich). Following the ceremony a wedding breakfast was served at the home of Mrs. Tom Allen, sister of the bride.

Dr. and Mrs. Dedman left immediately for Seattle where Dr. Dedman will become an interne in the Seattle City hospital.

Stayton

Mrs. Irvin Schoemacher, who was seriously burned by the explosion of a gasoline iron which she was using last week, is recovering from the burns nicely and will soon be able to be about her home duties again.

Approximately \$200.00 worth of goods and money was stolen from farm homes in this vicinity while the owners were away on Sunday.

The homes of George Sander, John Mertz, Joe Senz and C. E. Schaefer of Linn county were the heaviest losers. Guns, clothing, blankets and money seemed to be the principal articles missing from each place, although some other things were taken. It was also reported that the Joe Zuber home north of Stayton was robbed on the same day, and that a gun and blanket had been taken from the house. Two fellows in a Ford coupe were suspected as they were seen to have blankets in the rear of the car and were acting suspiciously. Officer Henry Smith was notified and started in pursuit of the car but was unable to find any trace of them or any clue as to who they might be.

While the greater part of the population of Stayton was away celebrating Monday, a grass fire started in the north end of the city limits and gained considerable headway before help could be obtained. The fire broke out in several places along the highway, and it is thought firecrackers thrown from passing cars was the cause.

Miss Ella Williams has been enjoying a visit from her sister, Miss Lois Williams of Portland, who is one of the teachers in the city schools there.

TWO HOMES MADE HAPPY

By Women Who Used Lydia E. Pinkham's Vegetable Compound

"I have taken Lydia E. Pinkham's Vegetable Compound and I think it is the most wonderful medicine I ever tried," is the statement made by Mrs. Goldie Shoup of May Vior, Illinois. She declares that after taking the Compound she is in better health than before.

Mrs. J. Storms of 29 Lane Street, Paterson, N. J., writes: "I can not speak too highly of your medicine and I recommend it to all my friends."

These statements were taken from two enthusiastic letters which tell of the help that has been received from using the Vegetable Compound.

Both Mrs. Shoup and Mrs. Storms were in a run-down condition which caused them much unhappiness. When women are suffering from lack of strength and from weakness, their own life and that of their family is affected. When they feel well and strong and are able to do their household easily, happy homes are the result.
