C. A. Muths Recounts Early History of Previous Market Which Functioned Well Despite Handicaps Until Tar Paper Roof Gave Way

Among articles sent to this paper, expressing belief that a public market established in Salem would find adequate support both from producers of food and consumers, the following, by C. A. Muths, presents some of the history connected with an earlier public market formerly operated here:

"I have noted in The Statesman that Salem is taking up the question of a public market, in which I am much interested and have been for the past 20 years. It is an enterprise that Salem ought to have taken up 20 years ago. "Here is some of my experience with a producers' and con-

Editor The Statesman:

It was very interesting to me to read the article regarding a I'ublic Market for Salem in an issue of your paper the other day. It would be a fine thing, indeed, and I am sure a success.

I have spent some years in a couple of our large cities on the coast and noted with great satisfaction the wonderful development | RECOVER DEAD FROM of good sound producer to consumer business in the public mar-
