In marked contrast to the hectic game Tuesday, the Bankers took the fastest game of the year out of the mits of the Paper company by a scant 1-0 margin. Scheduled for five innings, neither side was able to cross until the last half of the eighth. It was a beautiful pitching duel between Lauderback and Gessner. Both hurlers had a great day, no inning passing that Gessner did not whiff at least one batter and Lauderback only passed up two frames without a strikeout, one of them the last, when four Bankers batted. Both hurlers struck out 12 men, and Lauderback issued the only base on balls in the whole contest in the seventh inning, but the runner was thrown out at second and the pass counted for little.

The Paper company had a great chance to score in the fourth when the first two men up got on base. But Blankenship overran second and was thrown out, and with Versteeg advancing to third on a steal and an overthrow. Gessner tightened, striking out the next two hitters.

With one man reaching first in the second, and later being thrown out at second, only three Bankers each inning went to the plate until the fifth. Not a single run was scored, G. Thompson registering from second. Versteeg was the only Papermaker to get beyond second base in the game.

An argument over calling the game came up in the seventh. It was so dark that seeing was most difficult, and the umpires decided to call the game off, but both managers wanted to continue for another inning, and this agreement was finally reached.

Only three issue-makers came up in the eighth and with only one more chance at the bat the Bankers came in determined to score. Burton, up first, was thrown out at first by Witcraft, who fielded a hard hit grounder perfectly. G. Thompson hit a screaming liner through the second baseman and reached first, going second on the only passed ball of the game, which hit Versteeg on the meat hand, splitting his finger. Schnelle fouled out to first base, and "Zeke" Girod came to bat with two away and the winning run on second. The first two balls were strikes, the next three were wide, and with a three and two count the dominating shortstop crashed a hit toward right field, miles per minute. The Papermakers' second sacker, Simpkins, made a great run and a one handed catch, but fell over in the effort. He attempted to throw the runner out at first from a sitting, or rather a rolling posture, but the throw went wild in the darkness, and Thompson scored the winning tally.

It was the best game of the season, and the fans were kept up on their feet for the last few innings. The Bankers found Lauderback for only two hits while the Papermakers were able to get four safe singles off Gessner.

This is the last of the games scheduled for the Twilight league but there remain eight postponed games to be played. The dates of these contests will be announced later in the week.

TITLE HOLDER TO HAVE REAL MATCH

World's Light Heavy Champion Meets Delaney in Hardest Fight

NEW YORK, July 14.—(By Associated Press.)—Paul Berlenbach, world's light heavyweight champion, enters the ring in the most important fight of his career at Ebbe's field tomorrow night when he faces Jack Delaney in defense of his crown. The match is scheduled for 15 rounds to a decision.

Ring critics have made the Ridgeport challenger a hair-line favorite contending Delaney's boxing ability and tremendous punching power should be more than a match for Berlenbach's crushing left hand. The champion, however, has his backers, several selecting him to retain the crown by a decision.

Delaney expects to win as decisively as in their first meeting when he stopped Berlenbach in the fourth round after the latter had chalked up a series of 23 consecutive knockouts in amateur and professional bouts.

Their second meeting December 17, 1925, resulted in a decision for Berlenbach in 15 rounds.

The two principals completed their training activities today, both taking a long walk to taper down after three weeks of hard work. They will weigh in tomorrow afternoon at 2 p. m.

Reports from the two champions were favorable as to the condition of the gladiators. Delaney is well under the 175-pound limit, while Berlenbach experienced only slight difficulty in getting down. Dan Hickey, the champion's veteran manager, said Paul would likely scale 174 1/2, while Delaney is expected to weigh about 175 pounds.

Humbert J. Fugasy, promoter of the match, said today he expected a complete sell-out of tickets. The advance sale has hurred the \$400,000 mark, with all indications to a half million dollar gate.

The champion, fighting on a percentage basis, expects to receive \$150,000 if the fight is a sell-out. This will increase his earnings over a three-year period to half a million dollars, placing his ring earnings second only to those of Jack Dempsey. The challenger's share of the receipts will amount to about \$50,000.

Finish Charley Paddock breaking the tape with his famous "jump finish" that has brought him 37 out of a possible 40 world's sprint records and an unequalled mark of 9.5 seconds for 100 yards, made May 15, this year. Drawn from Photograph, By F. W. LUDWIGS

No sprinter ever succeeded without ALL three. There have been great starters; runners who moved with perfect rhythm; and no waste energy; and men who finished with irresistible force. But the CHAMPION has had ALL THREE. Charley Paddock

Charley Paddock says a champion must have all three start-stride-finish

These same essentials in perfect co-ordination—quick start, the full stride of power, and force sustained to the very end [finish]—are necessary to good gasoline. Associated through its distinctive range of boiling points insures this kind of a performance: no sputter when you step on the starter, no miss when you give her the gas, and always a smooth supply of adequate power from start to finish. That's why Associated is Champion. Associated is always associated with "more miles to the gallon."

Date _____ 1926

The following conditions of contest must be observed: 1. Above prizes will be given to some year (first date, namely, July 15, 1927). If your tires do not wear out before July 15, 1927, the time for awarding this year's two thousand dollars in prizes, you will be eligible for the same amount of prizes July 15, 1928.

When your tire or tires are worn out, and through proper use you figure they have given you the extra mileage that is built into them, take the tire or tires to your CTC dealer, execute the simple form of affidavit we will supply him with showing serial number of tire or tires, speedometer reading, stating the number of miles each tire has been run on the original tread and forward to us together with the tire or tires and your part will be completed. Immediately after your tires are checked in you can have them back if you so state.

Your speedometer record will be used in the final awarding of the prizes, therefore, if you change your speedometer in any way other than increase from regular driving, you should record such changes through your CTC dealer and see that it is sent to us.

Tires will divide the individual prizes evenly.

Officials and employees of our Company will be barred from the contest.

Dismantled checkers whose names will be made public will check final results and award the money.

The fifteen prizes to be paid to those showing the highest mileage are as follows:

- First prize \$1,000 cash
- Second prize 500 "
- Third " 250 "
- Fourth " 100 "
- Fifth " 50 "
- Sixth " 25 "
- Seventh " 20 "
- Eighth " 15 "
- Ninth " 10 "
- Tenth " 5 "

The remaining ten prizes will be a credit provided by our factory of \$5.00 each on the purchase of a new CTC tire at any CTC dealer.

Your CTC Dealer Will Give You Inspection Service Gratis

There are a number of ways in which you can increase the mileage on your tires, and your CTC dealer will be glad to check your tires free of charge every few weeks to help you. This you should have done in the interest of simple economy whether you enter the contest or not.

The principal things to avoid and check about are: arranging wheels and uneven mounting of rims which cause wobbling of wheels too slack too an front wheels—loose ball joints—uneven brake grabbing and on stopping—driving at high rate of speed—braking too hard. These are all common causes of tire wear. Also avoid as much as possible hitting with force, rocks, curbs and like objects—sand, dust, keep your tires properly inflated. Your CTC dealer will supply you with our 24 our charts showing correct inflation for each type of tire and see that you are properly inflated.
