

# Your Health-- Means Much to You

If there is one particular thing in which care and purity are important, it is the compounding of prescriptions. Impure concoctions are not only useless, but are often positively harmful.

Our drugs are reliable. Our prescription department is in the hands of expert graduates who know their business.

Bring us your prescription to be filled, regardless of whose name is on it.

"Our prescription service is the best service we render."

**This is the Woody Everybody Knows — Phone 511**

NOW play your phonograph. A surprise awaits you. Records by Jolson and the other big stars are different now. They play with a lifelike sparkle, zest and snap that phonograph music never had before. Brunswick's new exclusive "Light-Ray" electrical recording process is the reason. Old methods got but half the music—"Light-Ray" gets it all! And these new records play on all phonographs. Just ask us about them!
