

# Postponed Game Sked in Amateur Leagues Announced, Opens July 19

## TITLE SERIES PLAY TO OPEN AUGUST 1

Valley Motor Forfeits Unplayed Contests, Player Rule Drawn

By Fred Andrus  
The schedule for postponed games in the Twilight and Commercial city leagues has been announced. The American Legion team has four of these games to play, while the U. S. National bank has three. The schedule was so arranged as to give these teams a rest between games of at least three days.

The Valley Motor company has games to play with the Bank and Grotto teams, but will be unable to play because of a rush of summer business. It will forfeit both these games.

Every team except the Valley Motor squad has a chance for first place. The Valley Motor has lost out because of its forfeited games and loss of several of its best players.

The championship series between the winners of the two leagues will be played during the week of August 1. It will consist of a series of three games, winner of two of them to be champion. The winning teams of the two leagues will be given the option of making these games at either five or seven innings long.

It is proposed that the Commercial league winners be permitted to pick a team from the best players of their league in order that they will be on an equal basis with the Twilight league champs, but this has not been acted upon.

All teams are asked to turn in lists of their players, and an order has been published that no new players not on the lists can be used, except in case of absolute necessity. In such cases, the names of players must be passed on by the board in charge. Umpires will look over the player lists before each game. The schedule of postponed games follows:

**Twilight League**  
July 19—Legion vs. U. S. Bank.  
July 21—U. S. Bank vs. K. of C.  
July 23—Legion vs. Grotto.  
July 25—U. S. Bank vs. Legion.  
July 28—Valley Motor vs. Paper company.  
July 30—Legion vs. K. of C.  
**Commercial League**  
July 20—O. N. G. vs. Postoffice.  
July 27—Guard vs. Eagles.

Portland — Steamer "Dorothy Luckenbach" arrives from New York, in 21 days, 20 hours.

## FRECKLES

Sun and Wind Bring Out Ugly Spots—How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable concern that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of Othine—double strength—from any drug or department store and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength Othine as this strength is sold under guarantee of money back if it fails to remove your freckles.

By Bob Bishop  
With the fight for the Commercial league pennant nearly over the games are getting faster and hotter, the Eagles dropping a 2-1 contest to the Postoffice nine last night. The five-inning contest only lasted an hour and five minutes, and was played off faster than any so far.

Both Heath and Rider hurled good ball, but the Eagles went back on Heath in the first, two errors going for the winning runs. Price, up first for the mail clerks, struck out, but Gibson reached first on an error and stole second. Thompson walked and advanced to third on Welborn's double, which scored Gibson. Taylor rolled a slow one to Heath, who had the runner thrown out at first by 15 feet, but the initial sacker dropped the ball, permitting Thompson to cross with the second run.

For the rest of the innings the contest developed into a pitching battle and both sides were blanked until the fifth. The mail men had Heath in a bad hole in the fourth when four men got on base. One was thrown out at second and one at third, and with runners on second and third, the Eagle hurler forced Fisher to roll an easy grounder to short.

The Eagles came in for their last time at bat two runs behind, and it looked as though the post-office was in the air when Cade got to second on a short blow to right field. But the next two men were easy outs and the Birds got their only tally on Heath's smash to left along the third base line. Busick ended the game by grounding out to third.

By the win last night the Postoffice has a chance of tying for first place. They have one more game, which will be played with the Guardsmen Tuesday, July 20. If they win that one they will be tied for first with the De Molay nine. On the other hand, the Guards, having another game to play with the Eagles, can clinch first place by winning, from both the Postoffice club and the Eagles. If they lose one of the games they are definitely out of the running.

**GENERAL:**  
The Salem General Hospital was first organized in 1899 and has been in continuous and successful operation since then. Its ownership and entire control are vested in the Salem General Hospital Board, an Oregon corporation organized under the Benevolent and Charitable Institutions Law of the State of Oregon, which exempts it from all forms of taxation. The hospital has present accommodations for 56 patients, which will be increased to 90 upon the completion of the new hospital unit. A Nurses' Training School is maintained in connection with the institution. The hospital, recently standardized by the American College of Surgeons as a Grade A Hospital, is held in highest regard by the public and the medical profession, both from a standpoint of efficiency of service and facilities in general hospital accommodations and in the complete equipment of its surgeries. The staff is made up of 31 of Salem's leading physicians and surgeons.

**PURPOSE OF ISSUE:**  
The proceeds of this loan will be used to erect a new wing to the present occupied hospital, to construct and equip a new laundry and to retire floating indebtedness. The hospital is unable to take care of its numerous applicants and must, therefore, make provision to render the service to the community which its growing population demands. The new wing will be three stories high of reinforced concrete, fireproof structure and will give the hospital additional bed capacity of thirty-four.

**SECURITY:**  
These bonds are a direct obligation of the Salem General Hospital and are secured by a first mortgage on its entire property, including buildings, equipment and grounds now owned or hereafter acquired. The total property, including the contemplated additions at cost, have been appraised by conservative and reliable appraisers at a depreciated value of \$184,600.00 and represents a total cost of over \$200,000.00.

**A COMMUNITY NEED:**  
Salem, Oregon, is the capital of the State of Oregon and the county seat of Marion county, which county has a population (1920 census) of 47,187. It is this district, together with surrounding territory, that the Salem General Hospital serves. There is perhaps no section of the Pacific Northwest so fertile as the Willamette Valley at this point and the future prosperity of the district is further assured by the steady increase in new industrial undertakings. An up-to-date General Grade A Hospital of the type of the Salem General Hospital is an absolute and constant necessity to the citizens of this rapidly growing community.
