

Grotto and Papermakers Meet For Title On Monday and Wednesday

LEGION NINE ENDS HOPES OF BANKERS

Soldiers Conclude Schedule in Fast Style, Pitching Is Very Good

By Bob Bishop

Although out of the running themselves, the Legion ended the season in great style, taking the Bankers to a 15-2 trimming. This definitely eliminates the Bankers from the pennant race, which now lies between the Grotto and the Papermakers.

The Legionnaires have shown a decided reversal of early season form in the last few battles, and in their win last night played errorless ball. The catchers used three pitchers in the fracas, one doing about as well as the others.

In the first, the Legion scored seven times on one hit, four walks and three errors, 11 men facing Gessner and Schelle, who went in with two away. Catcher Thompson took a foul tip on the knee that sounded like a base hit and bounced to the pitcher's box, but he was able to continue the game.

The Bankers gleaned their runs, one in the first on two walks and a double, and one in the third on a walk, two stolen bases and a single.

Getting one run in both the second and third, the Legion only had one blank inning, the fourth.

The fifth was a repetition of the first, six runs crossing on five bingles, three errors and a walk. Every Legionnaire scored at least once and all but three registered twice during the game.

Gibson gave a great pitching exhibition, better even than during his previous game, which received much praise from the fans. He struck out four, passed four and allowed but four safe hits in the contest. The three Bank hurlers amassed the impressive total of eight strike-outs, eight walks and 11 hits while their team mates were making easy outs.

Plans For the Dempsey-Tunney Match Go On Despite Possible Reverses

BALTIMORE STADIUM OFFERED FOR FIGHT

In Event New York Board Refuses License, Title Bout May Be Transferred

NEW YORK, July 30.—(By Associated Press.)—Plans for the heavyweight championship fight between Jack Dempsey, champion, and Gene Tunney at the Yankee stadium September 16 will go on despite the possibility of a hitch in the license committee.

At a meeting of directors of the new Madison Square Garden corporation today, presided over by John T. Ringling, the entire situation was discussed but no announcement was forthcoming.

It is understood that ways and means for holding the contest, should Col. John J. Phelan refuse to grant licenses when he returns from his national guard camp at Peekskill, N. Y., were considered.

Latrobe Cogswell wired Rickard today that the Baltimore stadium seating 100,000 will be available if the New York proposition falls through. Cogswell is head of the National Boxing association.

Rickard also received a telegram from Dempsey, who said he would arrive in the east some time next week, stopping over in Chicago for a couple of days.

COLORADO SPRINGS, Colo., July 30.—(By AP.)—B. F. Clements, Chicago fight promoter, today filed application in United States court in Denver for an injunction forbidding the champion to fight under any contract other than the one he claims to hold with Dempsey.

Copy of the papers were served upon Dempsey here tonight by United States Marshal E. J. Harding of Denver.

The application was filed by Granby W. Hillier, as Colorado attorney for the Chicago Athletic club. A representative of Clements and the Athletic club flew from Chicago to Denver to confer with Hillier before the application was filed.

Dempsey has 20 days in which to file an answer.
