**Comes to Canada To Study Affairs in the Dominion**

A strained condition in Canadian internal and Empire affairs has resulted in the undertaking of a special mission by the Earl of Clarendon (above), under secretary of state for dominion affairs in the British government. The purpose of his visit is stated as "oversee settlement work."

Eventide! Myriad workers into the streets once more, now how hard striving. Boots, boots, boots, and to hear attuned to their tread, the tune to which they march is not now lifting. Weary the beats they measure. More push, more pull, fresh tumult and turmoil. Crowding less good-natured, increase of fretting and fuming. The end of an imperfect day and the same thing to live through all over again tomorrow.

"Too big for comfort! This has been our private opinion about our large cities for some time." Mr. Clarence S. Stein, chairman of the New York state commission on housing and regional planning, says:  
 "Workers in large cities have less at the end of each year than those in small towns. New York city loses \$12,000,000 every year supporting the subways and really pays a bonus of five-eighths of a cent daily for every person who rides in the subways. In foreign countries a bonus is paid for decent living conditions."  
 Be careful of the man with half-shut eyes.

**Sour Stomach**  
 "Phillips Milk of Magnesia" Better than Soda

Instead of soda hereafter take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly. For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent and fifty cent bottles, any drugstore.

**EUGENE PAGEANT OPENS NEXT WEEK**

Thousands of Visitors Expected for "Trail to Rail" Celebration

EUGENE, Or., Aug. 11.—Thousands of visitors are expected here next week to participate in the celebration and pageant long planned by the Trail to Rail association to give state recognition of the completion of the Southern Pacific's trans-Cascade line. The program in which national and state railroad officials will participate, will present one of the most spectacular and colorful representations of the development of the northwest, according to Jos. H. Koke, president of the association. The pageant, "Klatawa," to be presented each evening on the university athletic field, will include one of the largest casts ever seen in Pacific coast productions. It will show the modes of transportation used by the pioneer in developing this country and the coming of the railroad. Ezra Meeker will play the part of the pioneer, around which character the pageant was written by Prof. W. F. G. Thatcher of the state university. Eve Richmond, New York

solist, will represent Sacajawa, Indian maiden who befriended the pioneers and protected them from hostile tribes. Irving E. Vining, president of the state chamber of commerce, will play the part of Klatawa, who depicts the spirit of transportation. The name Klatawa is taken from the Chinook Indian word, meaning "to go, to progress." The pageant will include hundreds of participants, some of whom will sing and dance. The costumes will be colorful and represent the garb of the periods depicted by each of the eight episodes included in the show.

August 19 has been named Pioneer Day, and the day following is Oregon Day. The pioneer parade will be one of the major features of the celebration. Gal Young, pioneer and director of the procession, announced that it will represent the largest gathering of pioneers and their household goods, farm implements, oxen and vehicles, that has ever been assembled in the west. Covered wagons which have traveled over the Oregon trail, oxen, burros and horses will be included. The pioneers will also have an old-fashioned barbecue.

Many towns throughout the state will send organizations and representatives to the celebration. Hospitality clubs, drum corps, chambers, princesses, floats and bands from many cities have been registered with the association for participation in the historical celebration. Portland, Klamath Falls, Sacramento and San Francisco will send representatives. The Portland chamber and the Rosarians will participate prominently in the program. On August 20 a public ceremony will be held on the university campus when Governor Walter M. Pierce, Mayor George L. Baker of Portland, Clyde B. Atchison, chairman of the interstate commerce commission, Washington, Telephone 165, Capital City Laundry. The laundry of pure materials. We give special attention to all home laundry work.
